

RESOLUTION NO. R-253185Adopted on NOV 25 1980

WHEREAS, the Suggestion Awards Committee has heretofore made certain recommendations to this Council; and

WHEREAS, the Council has reviewed said recommendations as well as the suggestions as presented; NOW THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, as follows:

That the following suggestion awards are hereby approved and the Auditor and Comptroller is hereby directed to issue warrants out of the General Fund for the following suggestions:

<u>NAME</u>	<u>DEPARTMENT</u>	<u>AMOUNT</u>	<u>SUGGESTION</u>
Thomas R. Clark	Fire	\$ 280	Mr. Clark is a Fire Captain. He suggested that uniformed fire personnel conduct pump service tests rather than using equipment mechanics. This will reduce maintenance backlogs and saves an estimated \$1,875 annually. This is a partial award pending a final 12-month review.
Robert B. Hamby	General Services	\$ 250	Mr. Hamby is the Equipmer Trainer in the Equipment Division. He suggested that fuel be removed from City vehicles being offered for sale. This is expected to save \$2,353 annually in fuel costs. This is a partial award pending a final 12-month review.
Lawrence J. Schaller	General Services	\$ 190	Mr. Schaller is an Equipment Mechanic in the Equipment Division. One year ago he earned a partial award of \$190 for his suggestion to drill an air release hole in threadle valve lines to reduce air pressure. One year's experience has shown a total savings of \$3,885. This is the remainder of Mr. Schaller's award.
Charles E. Hunter	Water Utilities	\$ 170	Mr. Hunter is an Equipment Technician II in the Systems Division. He designed an adapter to be used on standard wash fountains for use by handicapped employees. This saves \$564 in installation costs as well as removes a barrier for handicapped employees.
Linda L. Smith	Risk Management	\$ 150	Ms. Smith is a Senior Typist. She developed and implemented a control card for employees with Workers' Compensation claims. This card provides data and costs on each injury by employee name. Savings are difficult to estimate. This was considered to be a significant operational improvement

APPROVED: JOHN W. WITT, City Attorney

By Stuart H. Swett
