AN ORDINANCE ESTABLISHING A SCHEDULE OF COMPENSATION FOR OFFICERS AND EMPLOYEES OF THE CITY OF SAN DIEGO FOR THE FISCAL YEAR 1981-82.

WHEREAS, The Management Team of The City of San Diego has met and conferred with employee organizations regarding salaries and wages for employees in the Classified Service and has made detailed recommendations to the City Council in relation thereto; and

WHEREAS, the Civil Service Commission of The City of San Diego has conducted studies of salaries and wages pursuant to Section 130 of the Charter of The City of San Diego and has issued a report to the City Council identifying classifications of employees in the classified service which merit special consideration because of recruitment or retention problems, changes in duties or responsibilities, or other special factors; and

WHEREAS, the City Manager and nonmanagerial department heads have made recommendations to the City Council in respect to salaries and wages for officers in the Unclassified Service; and

WHEREAS, after receipt at public hearing of information and statistics, oral and written, and after detailed evaluation and deliberation by the City Council upon the recommendations of the Management Team and the Civil Service Commission, the City Council of The City of San Diego, pursuant to and under the authority vested in it by the State Constitution and Charter of The City of San Diego, hereby finds and determines that the salaries and wages established herein are consonant with the fair and equitable concept and criteria established by and contained in Council Policy No. 300-1; and

WHEREAS, pursuant to the provisions of Charter Sections 12.1 and 24.1, the

Salary Setting Commission's recommendations for Mayor and Council salaries were considered and a schedule of compensation for the Mayor and members of the City Council was adopted by Ordinance No. 15214 (New Series) on March 10, 1980, and is continued by incorporation herein, to be effective for the period July 1, 1980 through June 30, 1982; and

WHEREAS, Section 117 of the Charter provides for exemption from the Classified Service of certain administrative positions including "managerial employees having significant responsibilities for formulating or administering departmental policies and programs"; and

WHEREAS, that section provides further that such exemption shall be upon "initiation of the appropriate appointing authority and after receiving the advisory review and comment of the Civil Service Commission and approval of the City Council"; and

WHEREAS, those classifications previously approved by the City Council are set forth by classification and salary rate in the Managerial category, attached hereto in Exhibit C; NOW, THEREFORE,

BE IT ORDAINED, by the Council of the City of San Diego, as follows:

Section 1. LEGISLATIVE BODY, COMPENSATION ESTABLISHED.

Pursuant to Sections 12.1 and 24.1 of the Charter of The City of San Diego and the recommendations of the Salary Setting Commission adopted by Ordinance No. 15214 (New Series) dated March 10, 1980, there is hereby established and adopted a schedule of compensation for the Mayor and Council members commencing July 1, 1980, as follows:

Mayor	\$31,250 per annum
Council Member	\$21,500 per annum

The Auditor and Comptroller shall calculate and establish a table which shall be and is hereby adopted as the appropriate table of biweekly salaries most closely approximating the above authorized per annum compensation.

Section 2. STANDARD SALARY RATES ADOPTED.

For all positions in the Classified Service of The City of San Diego, the table of Classes and Standard Rate numbers providing uniform compensation for like service, attached hereto as Exhibit B, is hereby adopted.

For all positions in the Unclassified Service of The City of San Diego, which are identified by the letters "UC", and listed under appropriately designated categories, the table of Classes and Standard Salary Rate numbers attached hereto as Exhibit C, is hereby adopted.

Section 3. SCHEDULES OF COMPENSATION ESTABLISHED.

As a schedule of compensation for all officers and employees of The City of San Diego, including the EXECUTIVE and MANAGERIAL categories of the Unclassified Service as hereinafter enumerated, there is hereby established and adopted a Table of Pay for Standard Rates indicating monthly and biweekly salaries, and containing minimum, maximum and intermediate range steps for each Standard Rate.

Biweekly salaries and ranges thereof for said Standard Rates are set forth in the Salary Schedule attached hereto as Exhibit A.

There is hereby established and adopted an EXECUTIVE category within the Unclassified Service of The City of San Diego containing classification ranges of Executive 01 through Executive 05 for all officers and employees serving in the positions listed in Exhibit C under EXECUTIVE. There is hereby further established and adopted a MANAGERIAL category within the Unclassified Service of The City of San Diego containing classification ranges of Managerial A, B and C for all officers and employees serving in those positions enumerated in Exhibit C under MANAGERIAL.

The Executive or Managerial classification range of any position listed in Exhibit C may be changed from one range to another only by official action of the City Council.

The "Equivalent Monthly Rates" set forth in Exhibit A are approximations and are for comparative and informational purposes only. The steps set forth for all rates contained in Exhibit A for positions in the Classified Service are calculated and established at approximate five percent (5%) increments. All references to step increases of five percent (5%) are and shall be deemed to mean approximations thereof.

Section 4. INCREASES IN BASE COMPENSATION, COUNCIL ACTION.

In fixing and approving Standard Rates for the officers and employees of the City, this Council has recognized the necessity to increase certain salaries heretofore paid, and, in so doing, the Council has intended and does hereby intend that in increasing said salaries, where a Standard Rate of pay has been increased from that heretofore paid, said officer and employee whose rate of pay has thus been increased shall be entitled to the increase granted, and that such new rate of pay shall be fixed so as to apply to the Standard Rate step occupied by said officer or employee on the effective date of this ordinance.

Notwithstanding the above express Council intent and action, all appointing authorities shall have and are hereby granted the authority to limit such increase for personnel in the Executive, Managerial and Professional Legal categories as may be, in their sound discretion, warranted. In such case, the appointing authority shall cause to be processed an adjusting payroll change notice and forward same to the Auditor and Comptroller for appropriate payroll application.

Members of the Classified Service, other than "excepted" fire fighters and salaried part-time employees, shall receive the salaries provided herein as

compensation in full for work performed by them during an average eighty (80) hour biweekly work period throughout the fiscal year, except as hereinafter provided. "Excepted" fire fighters and salaried part-time employees shall be compensated in accordance with appropriate calculations and procedures established by the Auditor and Comptroller in cooperation with the City Manager and Personnel Director. For purposes of this ordinance, "excepted" fire fighters are defined as those fire fighters assigned to work other than forty (40) hour per week work schedules or other than average eighty (80) hour biweekly work schedules.

Warrant checks issued for compensation to such officers and employees by the City Auditor and Comptroller shall be for the appropriate amount set forth in the schedule of compensation for the Mayor and Council or in the Standard Rate or incremental step attached to the position as indicated in exhibits attached hereto and for other additional amounts authorized in this ordinance.

Section 5. CONTRIBUTORY DEDUCTIONS REQUIRED BY LAW.

For purposes of deduction for contributions of officers and employees required by law, the City Auditor and Comptroller shall use as a base rate that amount heretofore established in Section 1 herein as per annum compensation for the Mayor and Council. For all other personnel, Classified and Unclassified, the Auditor and Comptroller shall use that amount fixed in the Standard Rate or incremental step hereinafter set forth in exhibits hereto and, where applicable and required, any additional compensation authorized by Sections of this ordinance. The Auditor and Comptroller shall also consider, where applicable, other monetary benefits and program reimbursements as may, from time to time, be authorized and granted by Council action pursuant to the authority of this ordinance.

Section 6. CLASSIFIED AND UNCLASSIFIED COMPENSATION, DETERMINATION THEREOF.

Increases in compensation for employees in the Classified Service within the range limits of the Standard Rate number attached to the position may be granted by the appointing authority upon the basis of efficiency and seniority after first receiving the approval of the Civil Service Commission therefor.

Compensation for all officers and employees in the Unclassified Service listed in Exhibit C, shall be determined and set by the appropriate appointing authority at any one of the range or incremental steps of the Standard Salary Rate numbers attached to the position. Range or incremental steps shall be as set forth in Exhibit A attached hereto. In the case of the City Attorney, said determination and setting shall be made by the City Council pursuant to Section 40 of the Charter of The City of San Diego.

Increases in compensation for all officers and employees in the Unclassified Service within the range limits of the Standard Salary Rate number attached to the position may be granted by the appropriate appointing authority upon the basis of seniority, efficiency and merit.

Section 7. ESTABLISHMENT OF BASE WORK PERIOD, COMPUTATIONS THEREON.

For the purpose of computing vacations, leaves of absence, overtime and terminal severance pay for personnel other than "excepted" fire fighters and salaried part-time employees, the Auditor and Comptroller is hereby authorized to utilize compilations based upon an eighty (80) hour biweekly work period. For "excepted" fire fighters and salaried part-time employees, the Auditor and Comptroller is authorized to utilize appropriate computations established in cooperation with the City Manager and Personnel Director. Part-time employees compensated on an hourly basis shall not be eligible for any benefits set forth herein.

Section 8. EXTRA COMPENSATION PLAN; ELIGIBILITY.

The Civil Service Commission shall establish and supervise in accordance with provisions set forth herein a uniform extra compensation plan which shall

provide overtime pay not to exceed one and one-half (1 1/2) times an eligible employee's regular base rate of pay, as established herein, or time off in lieu thereof, and shall provide for extra compensation of approximately five percent (5%) whenever an eligible employee is required for a significant period to work at times substantially unusual for his or her class of employment, such as: (1) working a night shift in which the majority of the hours or work scheduled for said employee throughout any pay period is before 8 a.m. or after 6 p.m.; or (2) on a long-term schedule, working a shift regularly split by more than two consecutive hours or such other work schedule as may be determined by the Civil Service Commission and the City Manager or nonmanagerial appointing authority to be substantially unusual for the class of employment. An eligible employee who is required to work under more than one of the unusual conditions indicated above shall receive an approximate five percent (5%) increase for each of said unusual conditions which shall be certified by the appointing authority on the official payroll time sheets to the Personnel Director. Such increases in compensation shall be identified and symbolized on all official payrolls and all other records pertaining to said employee's compensation. When one or more of the said working conditions are commonly accepted conditions for the class of employment, the Civil Service Commission shall take such working conditions into consideration in establishing the compensation for the class and such determination shall be final.

In addition to the foregoing provisions for extra compensation, an employee who has been released from work and has left the work premises shall, if called back to duty, be paid for the reasonable estimate of the time required for said employee to travel from and to his or her residence and the work area and for the time the employee actually works. The total time of callback pay, including travel time, shall not be less than two (2) hours, and shall be

computed at the employee's regular rate or at one and one-half (1 1/2) times said rate provided the employee is designated as eligible for premium overtime pay.

The employees in the Classified Service who shall be eligible for and entitled to receive overtime compensation, as herein provided, shall be determined by the Civil Service Commission and City Manager and/or nonmanagerial department heads as provided thereafter by Council resolution prior to being officially designated in the Personnel Manual of The City of San Diego. Such approval by the City Council shall be required annually in conjunction with adoption of this Annual Salary Ordinance. Determination of eligibility and payment therefor shall be in accordance with definitions and procedures developed by the Civil Service Commission and the City Auditor and Comptroller pursuant to Council Policy and in cooperation with the aforesaid appointing authorities, which definitions and procedures shall be final, conclusive and binding on all appointing authorities and officers and employees prior to Council approval, it being the intention of this Council that authority and responsibility for determining eligibility for overtime compensation shall be pursuant to the provisions of this ordinance and Council policy.

Section 9. EDUCATIONAL INCENTIVE PROGRAM.

Sworn personnel in the Police Department who are or become eligible for extra compensation pursuant to the provisions of the Police Educational Incentive Program established and adopted by the City Council shall be entitled to receive such additional compensation, as set forth in the program during the period of said sworn personnel's eligibility and entitlement. Such educational incentive compensation shall be in addition to base compensation and other sums enumerated in this ordinance. The City Manager shall promulgate rules and regulations as may be necessary to effectuate and govern the operation of said

Educational Incentive Program. Such additional compensation as may be paid under this program shall be appropriately identified and symbolized on all official payrolls and all other records pertaining to said employee's compensation.

Section 10. BILINGUAL PAY.

Officers and employees of the City, other than "excepted" fire fighters, shall be paid, in addition to base compensation and other sums enumerated in this ordinance, the sum of twenty cents (\$0.20) per hour as bilingual pay when they are certified by the appointing authority to be serving in a position which requires knowledge and use of the Spanish language in the performance of their duties and have satisfactorily demonstrated such bilingual qualification pursuant to established standards. "Excepted" fire fighters shall be paid that sum per hour which, when calculated by the City Auditor and Comptroller based upon assigned week or biweekly work schedules, would approximate \$0.20 per hour when based upon a forty (40) hour per week or an average eighty (80) hour biweekly work schedule. The City Manager in cooperation with the Personnel Director shall promulgate appropriate criteria and standards as may be necessary to effectuate and govern the operation of this bilingual program.

Section 11. SICK LEAVE REIMBURSEMENT.

Officers and employees currently eligible for sick leave reimbursement under provisions of the Sick Leave Reimbursement Program heretofore established and adopted by the City Council shall be deemed to have vested rights thereto and shall continue to be entitled to receive such benefit pursuant to the provisions of said program, repeal thereof notwithstanding. The City Manager shall promulgate appropriate rules and regulations as may be necessary to effectuate and govern the operation of a Sick Leave Reimbursement Program. The sick leave reimbursement paid pursuant to the established program shall not,

under any circumstances, be deemed as compensation for purposes of calculating average final compensation earnable as may be required by other provisions of law.

Section 12. RETIREMENT CONTRIBUTION.

In accordance with the following schedule, the City shall pay into the Retirement System an actuarial equivalent of employee base compensation, as additional employer contribution for Retirement System contributory purposes for officers and employees who are members of the System.

Those miscellaneous Unclassified Employees listed in Exhibit E (attached hereto) and classified employees with the exception of those classified employees in the Police Bargaining Unit.	4 1/2%
All Classified employees in the Police Bargaining Unit	6%
All Unclassified officers and employees except those listed in Exhibit E - Miscellaneous Unclassified Employees	2 1/2%

It is the intent of this Council that the above provided retirement contributions are a benefit and option authorized and granted by Council on an annual basis which shall not be deemed or construed to create a continuing vested entitlement from year to year. It is the further intent of this Council that the additional retirement contributions provided herein shall be in lieu

of a like amount paid heretofore by the above designated officers and employees and that the contribution by those eligible officers and employees be reduced by a like amount.

Section 13. EXCEPTIONAL PERFORMANCE COMPENSATION.

The City Council hereby authorizes the City Manager to establish and implement an Exceptional Performance Compensation Program. Such program shall include criteria under which employee performance shall be evaluated. Those employees judged to be exceptional performers may be granted a one time performance payment in an amount not to exceed one thousand dollars (\$1,000). Such one time payment shall not be considered to be a part of an employee's base compensation for any purpose, except as provided in Section 5 of this ordinance, nor shall such employee acquire any right to receive future exceptional performance payments.

Section 14. ADDITIONAL BENEFIT PROGRAMS.

The City Council may, and does hereby declare its intent upon recommendation of the City Manager to establish, from time to time, additional benefit programs for represented and unrepresented officers and employees via separate legislative actions. Such additional benefit programs shall be and are hereby declared to be predicated upon the existence of ratified and executed Memoranda of Understanding with recognized employee organizations or such other conditions of qualification for officers and employees as the legislative body may, in its sole discretion, establish.

Section 15. TERMINAL EMPLOYEE.

There is hereby created a class to be known as "Terminal Employee." Any employee, Classified or Unclassified, granted terminal leave prior to termination of City service, shall be transferred to the class of "Terminal Employee" as of the date said terminal leave commences and is reflected upon the official payroll time sheet of the City. Upon transfer to said class and

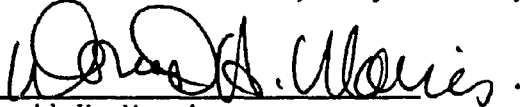

for the entire period of said terminal leave, such employee shall be paid at the rate and step established for the position occupied by that employee at the time of his transfer and he shall accrue no benefits while assigned such status except as may be otherwise authorized and provided by appropriate provision of law. Such employee shall be considered an employee of the department in which he was serving at the time of his transfer to terminal status, for purposes of accountability only, but his position as authorized by the annual appropriation ordinance shall be deemed vacated for the purpose of replacing the "Terminal Employee." The Civil Service Commission shall promulgate appropriate rules and regulations as may be necessary to effectuate and govern the status of "Terminal Employees."

Section 16. APPRENTICE SALARIES.

The compensation for Apprentices is hereby established pursuant to the Apprentice Salary Schedule attached hereto as Exhibit D. The Civil Service Commission shall establish rules and regulations as may be necessary to govern training programs and the advancement of Apprentices.

Section 17. This ordinance shall take effect and be in force on the thirtieth day from and after its passage.
