

RESOLUTION NO. ~~R-253642~~

FEB 17 1981

WHEREAS, the people of the State of California approved Proposition 1, the California Parklands Act of 1980, at the November 4, 1980 general election by a considerable margin; and

WHEREAS, Proposition 1 approved \$285 million in state general obligation bonds for park and recreation purposes including \$85 million for city, county and district parks to be distributed to counties on a population basis; and

WHEREAS, the Bond Act requires that each county shall consult with cities and districts within the county and shall submit a Priority Plan for Expenditure of total county funding to the state for approval; and

WHEREAS, said Priority Plan for Expenditure may include a list of projects for each jurisdiction; and

WHEREAS, said Priority Plan for Expenditure shall be approved by at least half of the eligible jurisdictions in the county, representing half or more of its population and by the Board of Supervisors; and

WHEREAS, the emphasis on distribution of funds under the Act is on the basis of population; and

WHEREAS, urban emphasis is a major policy of the California Department of Parks and Recreation administrators of the Bond Act; and

01004

WHEREAS, The City of San Diego provides more local, regional and beach park and recreational amenities and facilities, enjoyed by all County residents, than any other agency in San Diego County without fiscal support from any other area agency; and

WHEREAS, of the amount of \$6.4 million available to the County area, approximately \$3.0 million would be the population basis for the City of San Diego; and

WHEREAS, notwithstanding these facts, the County Board of Supervisors, at their meeting of February 10, 1981, took unilateral action to endorse a plan which would result in approximately \$2.2 million being allocated to The City of San Diego, a loss of approximately \$800,000; and

WHEREAS, this plan was submitted to the local jurisdiction committee organized by the County to approve a priority distribution plan, without prior discussion with The City of San Diego, and passed upon despite The City of San Diego's objection; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that the City Council of The City of San Diego register their strong protest to the County Board of Supervisors for failing to recognize where the largest burden of operating and maintaining local and regional recreational facilities rests and for failing, at a minimum, to assure The City of San Diego's fair share under population guidelines.

BE IT FURTHER RESOLVED, that the City Council of The City of San Diego strongly urges the County Board of Supervisors to reconsider their action, to correct the inherent inequity, and that they endorse, at a minimum, that share due The City of San Diego on the basis of population, recognizing that, by any standards, even this minimum fails to address the many regional facilities enjoyed by all County residents that are operated and maintained by the City without assistance.
