WHEREAS, the problem of litter continues to plague California's cities and counties costing the taxpayers an additional \$100 million a year to handle; and

WHEREAS, the State Solid Waste Management Board is the agency responsible for initiating and encouraging statewide and community programs in solid waste management planning and enforcement, recycling, resource reuse, energy recovery, litter control and public education and participation; and

WHEREAS, the State Solid Waste Management Board - with the support of dozens of California public interest groups, businesses and local governments - is sponsoring the Great California Resource Rally to be held April 20 - 26, 1981, to raise Californians' awareness of the State's impending garbage crisis and encourage citizen participation in litter control, recycling, and waste reduction activities; and
