This ordinance amends the Municipal Code of The City of San Diego in the manner herein provided, and is intended to be read and construed by the courts as if the City had adopted the provisions of the Ordinance on or after January 1, 1982. All employees on the active city payroll prior to that date shall continue to have vested rights in Social Security to the extent such rights were vested under the retirement system and those amendments do not secure those rights. This ordinance leaves several provisions relating to Social Security unchanged inasmuch as the United For District uses our system as the District's system and those employees are still under Social Security.  
A complete copy of the Ordinance is available for inspection in the Office of the City Clerk of the City of San Diego, 12th Floor, City Administration Building, 202 "C" Street, San Diego, CA 92101.
