Such revenues, moneys or assets shall be the sole source of repayment of such issue of bonds.

Bonds issued under the provisions of this article shall not be deemed to constitute a debt or liability of the City or a pledge of the faith and credit of the City but shall be payable solely from specified revenues, moneys and assets. The issuance of bonds shall not directly, indirectly, or contingently obligate the City to levy or pledge any form of taxation or to make any appropriation for their payment. Pending preparation of definitive bonds, the City may issue temporary bonds, which shall be exchanged for definitive bonds when prepared.

SEC. 61.2433 TERMS AND CONDITIONS OF BONDS

Any resolution authorizing any bonds or any issue of bonds, or any indenture authorized by such resolution to be entered into by the City, may contain provisions respecting any of the following terms and conditions, which shall be a part of the contract with the holders of such bonds:

(c) Limitations on the issuance of additional parity bonds, the terms upon which additional parity bonds may be issued and secured, and the refunding of outstanding bonds;

(d) The setting aside of reserves and sinking funds and the regulation and disposition thereof;

(e) The pledge or assignment of all or any part of the revenues and the use and disposition thereof, subject to such agreements with the holders of bonds as may then be outstanding;

(f) Limitations on the use of revenues for expenditures for operating, administration, or other expenses of the City;

(g) Specification of the acts or omissions to act, if any, which shall constitute a default in the duties of the City to holders of such bonds, and providing the rights and remedies of such holders in the event of default, including any limitations on the right of action by individual bondholders;

(h) The appointment of a corporate trustee to act on behalf of the City and the holders of its bonds, the pledge or assignment of loans, deeds of trust, mortgages and any other contracts to such trustee, and the rights of such trustee;

(i) The mortgaging of any residence and the site thereof for the purpose of securing the bonds;

(k) Any other provisions which the Council may deem reasonable and proper for the purposes of this article and the security of the bondholders.

SEC. 61.2434 PLEDGE OF REVENUES

Any pledge of revenues or other moneys or assets pursuant to the provisions of this article shall be valid and binding from the time such pledge is made. Revenues, moneys and assets so pledged and thereafter received by the City shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the City, irrespective of whether such parties have notice thereof. Neither the resolution nor any indenture by which a pledge is created need be filed or recorded except in the records of the City.

SEC. 61.2435 NO PERSONAL LIABILITY

Neither the members of the Council, the officers or employees of the City, nor any person executing any bonds shall be liable personally on the bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

The City shall have the power out of any funds available therefore, at its sole option, to purchase its bonds. The City may hold, pledge, cancel, or resell such bonds, subject to and in accordance with agreements with the bondholders.

SEC. 61.2437 COMPELLING PERFORMANCE

Any holder of bonds issued under the provisions of this article or any of the coupons appertaining thereto, and any trustee appointed pursuant to any resolution authorizing the issuance of bonds, except to the extent the rights thereof may be restricted by such resolution or any indenture authorized thereby to be entered into by the City, may, either at law or in equity, by suit, action, mandamus, or other proceedings, protect or enforce any and all rights specified in law or in such resolution or indenture, and may enforce and compel the performance of all duties required by this article or by such resolution or indenture to be performed by the City or by any officer, employee, or agent thereof, including the fixing, charging, and collecting of rates, fees,

interest, and charges authorized and required by the provisions of such resolution or indenture to be fixed, established, and collected.

SEC. 61.2438 REFUNDING BONDS--USE OF PROCEEDS

(a) The City may issue bonds for the purpose of refunding any bonds then outstanding including the payment of any redemption premiums thereof and any interest accrued or to accrue to the earliest subsequent date of redemption, purchase, or maturity of such bonds, and, if deemed advisable by the City, for the additional purposes specified in SEC. 61.2420.

(b) The proceeds of bonds issued for the purpose of refunding any outstanding bonds may, in the discretion of the City, be applied to the purchase or retirement at maturity or redemption of such outstanding bonds, either at their earliest or any subsequent redemption date or upon the purchase or retirement at the maturity thereof and may, pending such application, be placed in escrow, to be applied to such purchase or retirement at maturity or redemption on such date as may be determined by the City.

(c) Pending use for purchase, retirement at maturity or redemption of outstanding bonds, any proceeds held in escrow pursuant to subdivision (b) may be invested and reinvested as provided in the resolution or indenture. Any interest or

other increment earned or realized on any such investment may also be applied to the payment of the outstanding bonds to be refunded. After the terms of the escrow have been fully satisfied and carried out, any balance of such proceeds and any interest or increment earned or realized from the investment thereof may be returned to the City to be used by it for any lawful purpose.

(d) All bonds issued pursuant to this section shall be subject to the provisions of this article in the same manner and to the same extent as other bonds issued pursuant to this article.

SEC. 61.2439 INDEPENDENT VALIDITY OF THE BONDS

The validity of the authorization and issuance of any bonds is not dependent on and shall not be affected in any way by any proceedings taken by the City for the making of any loan or the entering into of any agreement, or by the failure to make any loan or enter into any agreement, for which bonds are authorized to be issued under this article.
