PARKING CITATION FEE SCHEDULE

BACKGROUND: (DOUBLE SPACE)

The attached Parking Citation Fee Schedule provides for the following revisions:

1. An increase of \$2.00 to all fees to meet the obligations imposed by A.B. 189 and recover the administrative cost of implementation. This bill imposes a surcharge of \$1.50 on all parking citation fees collected by the City for the benefit of the County Criminal Justice Facility Temporary Construction Fund. It becomes effective January 1, 1982 and authorizes an increase in fees to cover the cost.

2. Establishes a uniform fee for all violations which create a safety hazard and congested traffic conditions.

3. Imposes an additional fee of \$10.00 if the citation fee is not remitted within sixty-five (65) days of issue. This will discourage the common practice of delaying payment until the cost of referral to DMV has been incurred. Presently, a charge of \$3.00 is being imposed which covers only DMV cost, but City cost of referrals are not currently covered.

It is recommended that the revised fee schedule be approved and that the agency agreements for processing parking citations be amended to incorporate the new fee schedule.

FISCAL IMPACT:

1. \$2.00 fee will more than offset cost of implementation of A.B. 189.
2. \$10.00 delinquency fee will offset cost of DMV Referral Program.
3. \$4.00 increase on violations creating safety hazards will generate additional revenue of approximately \$400,000.
