BACKGROUND

The City Council is concerned with the increasing cost of City support of special events examples of which are marathons, walkathons, golf tournaments and hydroplane races, concerts and street events. The Council notes that City support of special events, be it police traffic service, police patrol or other support, is not specially budgeted and is provided through reductions in the level of service for budgeted programs. The Council also realizes that special events are a major part of that special lifestyle that makes the City of San Diego unique.
