

(R-83-633)

RESOLUTION NUMBER R- 257299

Adopted on OCT 5 1982

WHEREAS, THE CITY OF SAN DIEGO HOUSING AUTHORITY, a governmental agency, hereafter referred to as "Owner," and COLLINS DEVELOPMENT COMPANY, a California corporation, hereafter referred to as "Permittee," filed an application to construct and operate a Planned Residential Development located north of the northerly extension of Villa Las Cumbres, north and northeast of Linda Vista Road, more particularly described as Portions of Pueblo Lots 1179 and 1180, Miscellaneous Map No. 36, in the R-2, R-1-5, R-1-15 and R-1-40 Zones; and

WHEREAS, on July 22, 1982, the Planning Commission of The City of San Diego made its findings of facts, granted said Planned Residential Permit No. 82-0231, and filed said decision in the office of the City Clerk on August 13, 1982; and

WHEREAS, on July 29, 1982, pursuant to the provisions of Section 101.0900 of the San Diego Municipal Code, ARTHUR RAUCHLE and JACKLYN BECKER HORTON appealed the decision of the Planning Commission; and

WHEREAS, said appeal was set for public hearing on October 5, 1982; and

WHEREAS, the Council of The City of San Diego received for its consideration documentary, written and oral testimony and heard from all interested parties present at the public hearings; NOW, THEREFORE,

BE IT RESOLVED, by The Council of the City of San Diego as

follows:

All of the following facts exist with respect to Planned Residential Permit No. 82-0231:

1. The proposed use will fulfill an individual and/or community need and will not adversely affect the General Plan or the Community Plan. The City Council believes this finding can be made with the exception of the proposed grading on Subcommunity 10. The Planned Residential Development is consistent with the existing zones and the proposed Linda Vista Community Plan Amendment entitled University Canyon Subcommunity 9. However, the grading as shown on Subcommunity 10 is not consistent with the proposed amendment and is not approved.

2. The proposed use, because of conditions that have been applied to it, will not be detrimental to the health, safety, and general welfare of persons residing or working in the area and will not adversely affect other property in the vicinity. The Engineering and Development Department has indicated that there is adequate access for vehicular traffic and emergency vehicles. The slopes shown to be created will be revegetated; therefore, the City Council believes that this finding can be made.

3. The proposed use will comply with the relevant regulations in the Municipal Code. The City Council believes that this finding can be made. The applicant is providing 70.8 acres of total open space which is in excess by 27.14 acres. The applicant proposes 44 acres of usable open space where 21.8 are required. The applicant is providing 2.3 parking spaces per dwelling unit and accompanying recreational facilities.

The above findings are supported by the minutes, maps and exhibits, all of which are herein incorporated by reference.

BE IT FURTHER RESOLVED, that the appeal of ARTHUR RAUCHLE and JACKLYN BECKER HORTON is denied, the decision of the Planning Commission is upheld, and this Council does hereby grant to THE CITY OF SAN DIEGO HOUSING AUTHORITY and COLLINS DEVELOPMENT COMPANY Planned Residential Permit No. 82-0231, in the form and with the terms and conditions as set forth in the permit attached hereto and made a part hereof.
