Each permit holder shall set the taximeter for the rate that he/she will charge, have the taximeter sealed and inspected, and prominently post rates in dollars per mile on each side of the taxicab in block letters of not less than one inch in height and in a location where rates can be easily read by prospective passengers.

(1) Nothing in this Article shall preclude a permit holder or driver from agreeing with prospective passenger(s) to a rate of fare which is less than the permit holder's currently filed and posted rates of fare if the agreement is entered into in advance of the passenger(s) hiring the taxicab for the trip except for trips commencing at the Lindbergh Field International Airport.

(2) With respect to any trip which commences at the Lindbergh Field International Airport a taxicab permit holder shall establish, file, post and charge a rate of fare which does not exceed twenty percent (20%) more than the weighted average of rates of fare as established herein.
