BE IT RESOLVED, that the Council of The City of San Diego proposes and intends to order the following work to be done and improvements to be made in said City under the provisions of the Improvement Act of 1911 and amendments thereto, and that the alternate procedures authorized by Article XVI, Section 19 of the California Constitution and provided for in Sections 61.0101 through 61.0111 of the San Diego Municipal Code shall be followed in lieu of the procedures of the Special Assessment Investigation, Limitation and Majority Protest Act of 1931, such work being more particularly described as follows:

If the Council of The City of San Diego decides at any time to abandon one or more of these projects, that decision shall not affect the validity of the remainder.

AND SPECIFICATIONS

All of the work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, of the dimensions, and to the official grades as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. P2240-2 on file in the office of the City Clerk, copies of which are on file in the office of the City Engineer, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

Contemplated work and improvement hereinbefore is, in the opinion of the Council, of more than local ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and the Council does declare said district to be the district benefited by the work and improvement, and to be assessed to pay the costs and expenses thereof. The district is described as follows:

The interest rate on the Bonds may not exceed the maximum rate allowed by law at the time of award. If said bonds are redeemed before maturity and before commencement of proceedings for sale, in addition to all other sums unpaid and accrued, a premium of five percent (5%) of the unmatured principal shall be paid.

If the City Treasurer adds and collects penalties due to

delinquent payment of payment of principal and interest on any bond pursuant to Section 6442 of the Streets and Highways Code, as amended, the Treasurer is hereby authorized to retain the first 2% penalty as a cost of servicing the delinquency.
