SUBMISSION OF BALLOT PROPOSALS	000-21		

BACKGROUND

At the present time no established procedure exists for Council consideration of proposed ballot measures. This often results in a lack of public notification and little time for consideration of proposals prior to their consideration by the Council. In addition, due to a 1975 amendment to the City Charter, primary elections for councilmanic seats may not be conducted throughout the entire city.

PURPOSE

To establish a procedure for notification and submittal of ballot proposals and to limit consideration of ballot proposals to only those elections that are conducted throughout the entire city.

POLICY

Ballot propositions shall be placed before the electorate only at such elections which are conducted throughout the entire city. Prior to any such election, the City Clerk shall place on the docket a notice of Council consideration of ballot proposals and a notice of the last date for submittal of ballot proposals at least six weeks prior to the meeting at which the Council is required to direct the City Attorney to prepare the necessary resolutions or ordinances for the citywide election.
