RESOLUTION NUMBER R- 258417

Adopted on MAY 9 1983

WHEREAS, there are presently three (3) State assembly bills proposing to establish enterprise zones (EZ) independent from any federal legislation; and

WHEREAS, in general, these measures seek to encourage economic growth by providing tax relief and other special benefits to private investments in economically depressed areas; and

WHEREAS, if adopted, any of these measures would have a significant impact upon the City of San Diego and upon local development organizations, such as the Centre City Development Corporation and the Southeast Economic Development Corporation; and

WHEREAS, on April 18, 1983, the Rules Committee considered the report and analysis provided by the Intergovernmental Relations Department (IRD) in Report No. 83-24; and

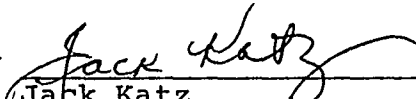

WHEREAS, the IRD made several recommendations in said report and the Rules Committee approved those recommendations with one exception; and

WHEREAS, the recommendations are now before the City Council for approval and support; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that this Council does hereby express support for legislation that:

1. Allows state and local agencies to retain publicly-owned land for their own purposes.
2. Allows local agencies to keep local zoning regulations, building codes, licensing, fee schedules, and General Plans intact with EZs.
3. Retains California Environmental Quality Act provisions in evaluating EZ proposals.
4. Encourages evaluations of the possible effectiveness of tax incentives for new or expanding businesses without restriction to a specific geographic EZ.
