COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM (CDBG)	700-2		1 of 1

BACKGROUND

The Housing and Community Development Act of 1974 established the Community Development Block Grant Program. The enabling legislation has been reviewed and amended by Congress every three years since 1974. The purpose of the CDBG program is to provide an annual source of funds to local governments for the purpose of implementing activities to develop viable urban communities, including decent housing and a suitable living environment and expanding economic opportunities, principally for persons of low and moderate income. Federal administration of the program is the responsibility of the U.S. Department of Housing and Urban Development. The City of San Diego has participated in the program since its inception.

PURPOSE

To establish the general guidelines by which the City will select and implement activities utilizing Community Development Block Grant funds.

POLICY

It is the policy of the City Council to allocate Community Development Block Grant funds in accordance with the following standards.

1. Selection and implementation of program activities that meet the Congressional intent of the program and the specific eligibility requirements as outlined by the U.S. Department of Housing and Urban Development.
2. Priorities of the Capital Improvements Program will be developed irrespective of whether or not the City is to receive Community Development Block Grant funds. Community Development Block Grant funds if received are to be used to supplement the City's Capital Improvements Program and not as a substitute for other City funds.
3. Use of an annual calendar year funding cycle with periodic review of program progress initially utilizing quarterly status reports to the City Council.
4. Allow up to 10% of each year's Community Development Block Grant entitlement funds to be expended for social services as defined in the applicable U.S. Department of Housing and Urban Development regulations.
