

(R-84-293)

RESOLUTION NUMBER R-259098

Adopted on AUG 15 1983

WHEREAS, present State laws provide for campaign disclosure reporting on a six-times per year schedule; and

WHEREAS, reports for four of the dates between mid-year and year-end are required to be filed only if certain threshold conditions have occurred; and

WHEREAS, local office holders and candidates for local offices have limited campaign activity in non-election years and such activity would not likely trigger the need for filing a threshold statement; and

WHEREAS, the infrequent occurrence of circumstances requiring the filing of a threshold statement makes for unnecessary confusion among office holders, candidates and campaign treasurers, especially at the local level; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that this Council hereby urges the General Assembly of the League of California Cities, assembled in Annual Conference in San Francisco, October 5, 1983, express and declare league support for legislation requiring the State to limit the

application of threshold reporting to state candidates, elected state officers, their controlled committees, and any committee formed primarily to support or oppose a state candidate or a state measure.
