

RESOLUTION NUMBER R- 259488

Adopted on OCT 24 1983

BE IT RESOLVED, by the Council of The City of San Diego, as follows:

That on-site wastewater treatment on Otay Mesa is hereby conceptually approved subject to the following conditions:

1. That any facility receive the necessary clearance from the California Regional Water Quality Control Board.

2. That the City control the allocation of all plant capacity.

3. That the facility be consistent with the land use assumptions contained in the City's Otay Mesa Community Plan.

4. That the economic feasibility, including costs of construction, operation and maintenance be fully demonstrated to the City's satisfaction. Further, that the entire cost of any facility constructed, including necessary studies, permits and environmental review, be financed by the potential users with allowances for reimbursement.

5. That wastewater reuse be encouraged.

BE IT FURTHER RESOLVED, that The City of San Diego agrees, subject to the above conditions, to act as a participating agency, as determined by the San Diego Regional Water Quality Control Board, for the purpose of obtaining the necessary waste discharge permit for an on-site wastewater treatment facility to be located on Otay Mesa within the area proposed for City annexation, contingent upon agreement by the Otay Municipal

Water District that the District shall not create additional assessment or improvement districts, special fees or other forms of taxation districts for sewerage, nor construct or operate or cause to be constructed or operated sewerage facilities within the area proposed for annexation, as identified in City Council Resolution No. 259201 adopted September 12, 1983, without first receiving the approval of The City of San Diego.
