

ORDINANCE NUMBER O- **16192** (New Series)

Adopted on **APR 23 1984**

AN ORDINANCE AMENDING CHAPTER X, ARTICLE 2, DIVISION 4 OF THE SAN DIEGO MUNICIPAL CODE BY ADDING SECTION 102.0406.06.7 RELATING TO PARK FEES IN THE MID-CITY COMMUNITY PLANNING AREA.

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That Chapter X, Article 2, Division 4 of the San Diego Municipal Code be, and it is hereby amended by adding Section 102.0406.06.7 to read as follows:

SEC. 102.0406.06.7 PARK FEES IN THE MID-CITY COMMUNITY PLANNING AREA.

A. PURPOSE AND INTENT

The Council hereby finds that the MID-CITY Community Plan area has conditions regarding financing for park and recreational facilities which do not reflect circumstances in the City as a whole. This ordinance is, therefore, not intended as a precedent for the application of the terms of this ordinance to the balance of the City of San Diego.

In order to furnish adequate park and recreational facilities needed to serve new development in the MID-CITY Community Planning area, it is necessary for anyone who obtains building permits within the MID-CITY Community Plan area for residential dwelling units to contribute fees identified in this ordinance in lieu of those fees presently assessed generally within the City of San Diego.

The MID-CITY Community Planning area to which this

ordinance applies is more completely described in the Community Plan, a copy of which is on file in the office of the City Clerk as Document No. RR-687681 as amended by Documents RR-733783 and RR-746880.

At the discretion of the City Council, anyone who obtains building permits may contribute land designated for park acquisition and/or contribute complete park development on land acquired for that purpose in the MID-CITY Community Planning area. Valuation of land contributions will be in accordance with the procedures in Section 102.0406.06.

The fees in this section are assessed in lieu of the fees required in Section 102.0406.06 and Section 96.0403. The fees set forth in this section are assessed in order to recover the cost of acquiring land and developing population based park and recreational facilities to serve the future inhabitants of the subdivision and community.

If sufficient funds are not generated by these park fees to provide needed park and recreation facilities, the Council will schedule any remaining needed facilities in the City Capital Improvements Program as funds are available.

B. ASSESSMENT

Notwithstanding any other section of the Municipal Code to the contrary, no park fees other than those provided in this section shall be assessed against subdivided property within the MID-CITY Community Planning area. A party pursuing building permits for residential

dwelling unit purposes in the MID-CITY Community Planning area shall be assessed a fee of \$880.00 per single family dwelling unit and \$660.00 per unit of multi-family construction. These fees shall be increased annually on July 1st at a rate of 9 percent per year beginning July 1, 1985.

The provisions of this section shall apply to all residential development including that on property zoned for commercial use which allows residential development as well.

1. Method of Computation: The assessment amount shall be determined initially by multiplying \$880.00 times the total number of single family dwelling units and \$660.00 times the total number of dwelling units of multi-family construction for which building permits are requested.

2. Time for Collection: The assessed fees, pursuant to this subsection shall be paid in cash prior to, and as a condition of, obtaining building permits. If any park fees have been paid in conjunction with subdivision map approval, those amounts will be credited against the full fee amounts set for collection during the building permit request process.

3. Special Park Fund: All park fees collected shall be deposited in a special park fund for the MID-CITY Community. These funds and their interest earnings may be expended only for park and recreation

projects for this community.

4. Review and Modification: As the result of periodic reviews, at intervals decided by Council and as a consequence of inflation and interest earning factor variations, the actual rates of development occuring in the MID-CITY Community and the park facilities experience, the City Council may exercise its authority to modify the park fee structure.

C. The fees collected pursuant to this ordinance shall be applicable only to building permit applications which are initially filed after the effective date of this ordinance.

Section 2. This ordinance shall take effect and be in force on the thirtieth day from and after its passage.
