

RESOLUTION No. R-260546 (R-        )

Adopted on APR 24 1984

BE IT RESOLVED, by the Council of The City of San Diego as follows:

The above resolution number was assigned to Item No. 310 from the Council meeting of April 24, 1984 by the Legislative Recorder. Resolution number R-260544 was issued to the City Manager's Office as an "out of order" number at the same meeting. It was not made known to the Clerk's Office at that time that the "out of order" number was being assigned to the same item number (310). Resolution No. R-260544 is the correct assigned number for Item No. 310 and the above resolution number is void.
