

(R-85-814)

RESOLUTION NUMBER R- 262054

ADOPTED ON DEC 3 1984

WHEREAS, the Mission Bay Channel Bridge is scheduled for replacement in 1985 and will be financed in part by federal funds; and

WHEREAS, one of the requirements in order to receive the federal monies is that there be two alternate bridge designs and two separate designs are currently being prepared by McDaniel Engineering Company, Inc.; and

WHEREAS, one of the alternate proposals envisions a design similar to the nearby Glen Rick Bridge; and

WHEREAS, the Glen Rick Bridge was constructed of girders and columns which were precast in steel forms made especially for use on that project; and

WHEREAS, after completion of the Glen Rick Bridge in 1972, the forms became the property of Mr. Frederick A. Einer, Jr. of Einer Brothers Construction Company; and

WHEREAS, the old steel forms have been inspected and found to be fit for use in the new bridge construction if that design alternate where chosen; and

WHEREAS, Mr. Einer has generously offered to donate the forms, conservatively valued at thirty-five thousand dollars (\$35,000) to the City and the only cost to the City would be the cost of moving the forms and sandblasting them prior to use; and

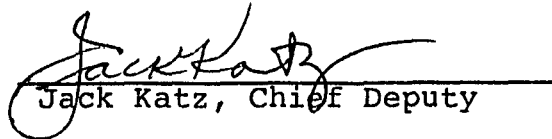

WHEREAS, the City wishes to accept the generous offer of Mr. Einer and commend him for this act of civic generosity; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that this Council, for and on behalf of the people of San Diego, hereby accepts Mr. Frederick Einer's generous gift of two (2) sets of bridge girder forms and one (1) set of column forms, conservatively valued at thirty-five thousand dollars (\$35,000).

BE IT FURTHER RESOLVED, that this City Council hereby commends Mr. Frederick Einer for his civic-mindedness and expresses its gratitude for his spirit of generosity.

APPROVED: John W. Witt, City Attorney
