

(R-85-1603)

RESOLUTION NUMBER R- 262702

ADOPTED ON MAR 11 1985

WHEREAS, Congress appropriated \$5 million for the preliminary planning and engineering of a facility to treat the emergency flows of Mexican sewage into San Diego; and

WHEREAS, this appropriation said that the total cost of the project should not exceed \$32 million; and

WHEREAS, there is now a need to build a defensive system on the U.S. side because Mexico no longer endorses nor will participate in an international treatment plant; and

WHEREAS, State legislation has been introduced to provide general fund monies and a bond act for the November, 1986 ballot to fund interim facilities to capture and treat the Mexican flows of sewage; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that the Council supports the efforts of our Congressional delegation to appropriate \$32 million to build interim facilities to capture the flows of Mexican sewage entering the United States and that the federal government be requested to pay all operation and maintenance costs associated with whatever defensive facility is built.

BE IT FURTHER RESOLVED, that the Intergovernmental Relations Department and the City's Sacramento representative be and are hereby directed to support AB 1012 which appropriates the funds for a defensive facility.

BE IT FURTHER RESOLVED, that the Intergovernmental Relations Department and the City Manager be and are hereby directed to seek assurances that whatever defensive facility may be built with federal or state dollars be constructed to the City's satisfaction.

BE IT FURTHER RESOLVED, that the International Boundary and Water Commission be informed by the City Manager that the City does not intend to renew the Emergency Pipeline Agreement to temporarily treat Mexican sewage when said agreement expires on December 17, 1985.
