

(R-85-2189)

RESOLUTION NUMBER R- 263359

ADOPTED ON JUN 10 1985

WHEREAS, the City Council on April 22, 1985 adopted Resolution No. 263015 accepting alternatives 1d and 7c contained in a Report entitled, "Lowry and Associates Report on Defensive Measures for the Tijuana River Valley" (the Report); and

WHEREAS, the City Manager recommended the acceptance of alternative 7c over alternative 7b of the Report because it more nearly matched the funding that appeared to be available; and

WHEREAS, there is no question that alternative 7b is the preferred interim solution should additional funds be available; and

WHEREAS, staff members of the International Boundary and Water Commission (IBWC), Environmental Protection Agency (EPA), State Water Resources Control Board, and the Regional Water Quality Control Board urge endorsement of alternative 7b, provided sufficient funds can be appropriated; and

WHEREAS, the City Manager concurs with the recommendation of the agencies that in addition to alternatives 1d and 7c the City Council should endorse alternative 7b contingent upon the availability of sufficient funding from Federal and/or State sources; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that alternative 7b of the Report is endorsed as the preferred interim solution provided sufficient funds can be appropriated through Federal and/or State legislation.

BE IT FURTHER RESOLVED, that the Intergovernmental Relations Department is hereby directed to seek appropriate Federal and/or State legislation to obtain appropriate support and action.

APPROVED: John W. Witt, City Attorney
