

RESOLUTION No. R-263523

Adopted on _____

BE IT RESOLVED, by the Council of The City of San Diego as follows:

Item 206g appeared on the City Council docket of June 24, 1985, authorizing an extension of the operating agreement between the City and San Diego Transit Corporation. The item was listed on the City Council Meeting Results Sheet. By the time Council convened, it had been eliminated from the docket and a revised docket page was not submitted to the Legislative Recorder to make the correction on the Meeting Results Sheet, thus the item appeared as "adopted".
