

(R-86-23)

RESOLUTION NUMBER R- 263711

ADOPTED ON JUL 22 1985

WHEREAS, the Legislature of the State of California has declared it to be State policy that urban areas should develop as cities or as parts of cities; and

WHEREAS, the San Diego County Board of Supervisors' Policy I-55 was formerly consistent with such State policy, declaring that "The County will encourage and assist those unincorporated areas . . . which have urbanized to the point of requiring a municipal level of public services to seek municipal status . . ."; and

WHEREAS, said Board of Supervisors will shortly consider additional changes in such policy that will have the effect of giving primacy to the fiscal impacts upon the County of any proposed annexation or incorporation; and

WHEREAS, it is indicated that such consideration by the Board of Supervisors will be motivated mainly by fiscal pressures; NOW, THEREFORE,

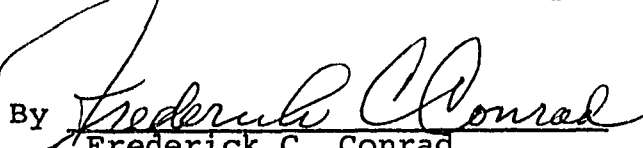

BE IT RESOLVED, that the Council of The City of San Diego, hereby:

1. Requests the San Diego County Board of Supervisors to restore its Policy I-55 to essentially its original language and meaning and, thereby, once again achieve consistency with State of California policy respecting the preferred jurisdictional status of urban areas;

2. Acknowledges the significant importance to city government of many of the County-administered regional services, and

3. Requests SAN DIEGO ASSOCIATION OF GOVERNMENTS to sponsor studies aimed at identifying the most logical division of services-providing responsibilities between the County and this region's cities, as well as the most equitable sharing of fiscal resources for carrying out respective functional responsibilities.
