

RESOLUTION OF THE COUNCIL OF THE CITY OF SAN DIEGO,
CALIFORNIA, DECLARING INTENTION TO ORDER THE CON-
STRUCTION OF CERTAIN IMPROVEMENTS IN A PROPOSED
ASSESSMENT DISTRICT; DECLARING THE WORK TO BE OF
MORE THAN LOCAL OR ORDINARY BENEFIT; DESCRIBING THE
DISTRICT TO BE ASSESSED TO PAY THE COSTS AND EXPENSES
THEREOF; AND PROVIDING FOR THE ISSUANCE OF BONDS

JUN 24 1986

(Assessment District No. 4006 [Via de la Valle Sewer])

THE CITY COUNCIL OF THE CITY OF SAN DIEGO, CALIFORNIA, DOES HEREBY RESOLVE AS
FOLLOWS:

RECITALS

SECTION 1. The public interest and convenience require, and it is the
intention of this body, pursuant to the provisions of Division 12 of the Streets and
Highways Code of the State of California (the "Municipal Improvement Act of 1913"), to
order the construction of certain public improvements, together with appurtenances and
appurtenant work, in a special assessment district known and designated as

ASSESSMENT DISTRICT NO. 4006
(VIA DE LA VALLE SEWER)"

(hereinafter referred to as the "Assessment District").

DESCRIPTION OF IMPROVEMENTS

A. The construction of certain sanitary sewer improvements,
including gravity sewer mains, force mains, a pump station and manholes, together with
appurtenances and appurtenant work and acquisition, if necessary, in certain public
streets and rights-of-way in the Assessment District. For further particulars,
reference is hereby made to a map of said Assessment District previously adopted.

B. Said streets, rights-of-way and easements shall be shown upon
the plans herein referred to and to be filed with these proceedings.

C. All of said work and improvements are to be constructed at
the places and in the particular locations, of the forms, sizes, dimensions and
materials, and at the lines, grades and elevations as shown and delineated upon the
plans, profiles and specifications to be made therefor, as hereinafter provided.

C. All of said work and improvements are to be constructed at the places and in the particular locations, of the forms, sizes, dimensions and materials, and at the lines, grades and elevations as shown and delineated upon the plans, profiles and specifications to be made therefor, as hereinafter provided.

D. The description of the improvements and the termini of the work contained in this Resolution are general in nature. All items of work do not necessarily extend for the full length of the description thereof. The plans and profiles of the work as contained in the Engineer's "Report" shall be controlling as to the correct and detailed description thereof.

E. Whenever any public way is herein referred to as running between two public ways, or from or to any public way, the intersections of the public ways referred to are included to the extent that work shall be shown on the plans to be done therein.

F. Notice is hereby given of the fact that in many cases said work and improvement will bring the finished work to a grade different from that formerly existing, and that to said extent, said grades are hereby changed and said work will be done to said changed grades.

DESCRIPTION OF ASSESSMENT DISTRICT

SECTION 2. That said improvements and work are of direct benefit to the properties and land within the Assessment District, and this City Council makes the expenses of said work and improvement chargeable upon a district, which said Assessment District is hereby declared to be the Assessment District benefited by said work and improvements and to be assessed to pay the costs and expenses thereof, including incidental expenses and costs and which is described as follows:

All that certain territory in the District included within the exterior boundary lines shown on the plat exhibiting the property affected or benefited by or to be assessed to pay the costs and expenses of said work and improvements in the Assessment District, said map titled and identified as

01007

R- 266089

"PROPOSED BOUNDARIES OF
ASSESSMENT DISTRICT NO. 4006
(VIA DE LA VALLE SEWER)"

and which said map was heretofore approved and which said map or diagram is on file with the transcript of these proceedings, EXCEPTING from the area shown within and delineated upon said map or plat hereinabove referred to, the area of all public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, and all easements and rights-of-way therein contained belonging to the public. For all particulars as to the boundaries of the Assessment District, reference is hereby made to said boundary map heretofore previously approved, and for a complete description of said Assessment District, the said plat and proposed boundary on file shall govern.

REPORT OF ENGINEER

SECTION 3. That this proposed improvement is hereby referred to the appointed SUPERINTENDENT OF STREETS, who is hereby directed to make and file the report in writing containing the following:

- A. Plans and specifications of proposed improvements;
- B. An estimated of the cost of the proposed works of improvement, including the cost of the incidental expenses in connection therewith;
- C. A diagram showing the Assessment District above referred to, which shall also show the boundaries and dimensions of the respective subdivisions of land within said Assessment District, as the same existed at the time of the passage of the Resolution of Intention, each of which subdivisions shall be given a separate number upon said Diagram;
- D. A proposed assessment of the total amount of the assessable costs and expenses of the proposed improvement upon the several divisions of land in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement. Said assessment shall refer to such subdivisions upon said diagram by the respective numbers thereof;

01008

R- 266089

E. The description of the works of improvement to be constructed under these proceedings, and acquisition, where necessary.

When any portion or percentage of the cost and expenses of the improvements is to be paid from sources other than assessments, the amount of such portion or percentage shall first be deducted from the total estimated costs and expenses of said work and improvements, and said assessment shall include only the remainder of the estimated costs and expenses. Said assessment shall refer to said subdivisions by their respective numbers as assigned pursuant to Subsection D. of this Section.

BONDS

SECTION 4. Notice is hereby given that serial bonds to represent the unpaid assessments, and bear interest at the rate of not to exceed the current legal maximum rate of twelve percent (12%) per annum, will be issued hereunder pursuant to the provisions of the City of San Diego Improvement District Procedural Ordinance of 1982 (Division 23, San Diego Municipal Code), and applicable Sections of the "Improvement Bond Act of 1915", being Division 10 of the Streets and Highways Code of the State of California, the last installment of which bonds shall mature a maximum of and not to exceed FOURTEEN (14) YEARS from the second day of July next succeeding ten (10) months from their date. The provisions of Part 11.1 of said Act, providing an alternative procedure for the advance payment of assessments and the calling of bonds shall apply.

The principal amount of the bonds maturing each year shall be other than an amount equal to an even annual proportion of the aggregate principal of the bonds, and the amount of principal maturing in each year, plus the amount of interest payable in that year, will be generally an aggregate amount that is equal each year, except for the first year's adjustment.

Pursuant to the provisions of the Streets and Highways Code of the State of California, specifically Section 10603, the Treasurer is hereby

01009

R- 266089

designated as the officer to collect and receive the assessments during the cash collection period. Said bonds further shall be serviced by the Treasurer or designated paying agent.

"MUNICIPAL IMPROVEMENT ACT OF 1913"

SECTION 5. That except as herein otherwise provided for the issuance of bonds, all of said improvements shall be made and ordered pursuant to the provisions of the "Municipal Improvement Act of 1913", being Division 12 of the Streets and Highways Code of the State of California.

SURPLUS FUNDS

SECTION 6. That if any excess shall be realized from the assessment it shall be used, in such amounts as the City Council may determine, in accordance with the provisions of law for one or more of the following purposes:

A. Transfer to the general fund; provided that the amount of any such transfer shall not exceed the lesser of One Thousand Dollars (\$1,000.00) or five percent (5%) of the total from the Improvement Fund;

B. As a credit upon the assessment and any supplemental assessment; or

C. For the maintenance of the improvement.

SPECIAL FUND

SECTION 7. That this City Council hereby establishes a special improvement fund identified and designated by the name of this Assessment District, and into said Fund, monies may be transferred at any time to expedite the making of the improvement herein authorized, and said funds are a loan and shall be repaid out of the proceeds of the sale of assessments as authorized by law.

PRIVATE CONTRACT

SECTION 8. Notice is hereby given that the public interest will not be served by allowing the property owners to take the contract for the construction of the improvements and that, as authorized by law, no notice of award of contract shall be published.

01010

R- 266089

GRADES

SECTION 9. That notice is hereby given that the grade to which the work shall be done is to be shown on the plans and profiles therefor, which grade may vary from the existing grades. The work herein contemplated shall be done to the grades as indicated on the plans and specifications, to which reference is made for a description of the grade at which the work is to be done. Any objections or protests to the proposed grade shall be made at the public hearing to be conducted under these proceedings.

PROCEEDINGS INQUIRIES

SECTION 10. For any and all information relating to these proceedings, including information relating to protest procedure, your attention is directed to the person designated below:

THOMAS O. MEADE, STREET SUPERINTENDENT
CITY OF SAN DIEGO
CITY OPERATIONS BUILDING
1222 FIRST AVENUE
SAN DIEGO, CALIFORNIA 92101
TELEPHONE: (619) 236-7056

PUBLIC PROPERTY

SECTION 11. All public property in the use and performance of a public function shall be omitted from assessment in these proceedings unless expressly provided and listed herein.

ACQUISITION

SECTION 12. That the public interest, convenience and necessity requires that certain land, rights-of-way or easements be obtained in order to allow the works of improvement as proposed for this Assessment District to be accomplished. For a general description of the location and extent of the easements or land necessary to be acquired, reference is hereby made to maps on file with the transcript of these proceedings.

PETITION

SECTION 13. That a petition signed by property owners representing more than 60% in area of the property subject to assessment for said improvement has been signed and filed with the City Clerk, and said written petition expressly requested that proceedings be initiated for the formation of the Assessment District.

PUBLIC CONVENIENCE AND NECESSITY

SECTION 14. That, pursuant to the provisions of Section 19 of Article XVI of the Constitution of the State of California, and Section 2804 of the Streets and Highways Code, a hearing will be held to find and determine whether public convenience and necessity require said work or improvements. A hearing will be held to find and determine whether the public convenience and necessity requires said work and improvements, without compliance with the "Special Assessment Investigation, Limitation and Majority Protest Act of 1931".

WORK ON PRIVATE PROPERTY

SECTION 15. It is hereby further determined to be in the best public interest and convenience and more economical to do certain work on private property to eliminate any disparity in level or size between the improvements and the private property. The actual cost of such work is to be added to the assessment on the lot on which the work is done, and no work of this nature is to be performed until the written consent of the property is first obtained.
