**RESOLUTION No.** R-268901 (R-      )

Adopted on \_\_\_\_\_

BE IT RESOLVED, by the Council of The City of San Diego as follows:

This resolution number was assigned to ITEM-S401 of July 20, 1987.

It appears that it was not needed.

Council's action was to approve Ferdinand Fletcher's request to remove his property from HROZ designation. The paper work was not clear enough. A member of the Planning Department advised that the problem had been resolved through one of the ordinances at that time. (2-24-88).
