**RESOLUTION No.**                     R-269111                     (R-           )

Adopted on           August 11, 1987          

BE IT RESOLVED, by the Council of The City of San Diego as follows:

This resolution number was assigned to Item-345, Subitem-A, certifying EMND-86-0987. The docket entry was prepared using the wrong terminology, and as a result, a resolution number was assigned to Subitem-A. The correct disposition of this was to file the EMND as the result of Council granting the appeal and denying the permit and map.
