RESOLUTION NUMBER R- 269117

ADOPTED ON JUN 30 1987

WHEREAS, the City Council has considered the issue of rezoning certain parcels of land in the Serra Mesa Community Area relative to the San Diego Energy Recovery Project (SANDER) under Docket Item S-414 of June 30, 1987; and

WHEREAS, the City Council elects to defer final decision on this item until such time as the California Energy Commission has reviewed and considered the application of Signal Environmental Systems, Inc. (Signal) to construct and operate the SANDER Project; and

WHEREAS, the City Council wishes to ensure that coordination is maintained between the City and the California Energy Commission relative to the SANDER Project and the City's concerns; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, as follows:

1. That this matter be continued until November 17, 1987.
2. That in the interim the City Manager, working in conjunction with Signal, shall further develop SANDER Project enhancements to include emphasis on a recycling component and improvements on mass burn technology to lessen environmental impacts.
3. That the City Manager develop in conjunction with the California Energy Commission a schedule to enable the Energy

Commission and the City to respectively communicate and consider relevant reports and information during their respective deliberations on siting and conformance with local ordinances and land use issues.

4. That the Planning Director forthwith review the criteria proposed by the "Clean Air" Initiative on the November 3, 1987 ballot and advise the City Council where affected waste-to-energy plants could and could not be built within the City limits.
