RESOLUTION NUMBER R-269765

ADOPTED ON NOVEMBER 17, 1987

WHEREAS, on November 17, 1987, the Council of The City of San Diego ("Council") considered the Interim Development Ordinance ("IDO") Accelerated Variance Application No. 87-2094, by Nick Nansen, Planning Report No. 87-569, to construct one (1) unit on the parcel at 1952-56 Thomas Avenue, zoned R-1500 (29 du/ac). The site is approximately six thousand two hundred fifty (6,250) square feet. An existing single-family residence will be demolished and replaced by a two (2) unit multi-family residential structure. An existing two (2) unit multi-family residential structure will remain. The project will provide eight (8) parking spaces accessed from the alley; exterior - stucco, wood fascia; and roof - asphalt shingle, in the Pacific Beach Community; and

WHEREAS, the request for Accelerated Variance submitted by Nick Nansen pursuant to the IDO Section 7.B.3., that the project shall consist of not more than three (3) dwelling units or not more than three (3) multi-family dwelling units on a single lot; and

WHEREAS, the request for Accelerated Variance submitted is governed by IDO Section 7.B.4., pursuant to which units granted will be taken from the reserve allocation as set forth in Schedule A of the IDO as modified by the procedures set forth in Resolution No. R-269742 adopted by the Council on November 16, 1987; and

WHEREAS, in arriving at their decision, the Council considered the staff report, the decision of the IDO Administrator, reviewed the plans and materials submitted prior to and at the public hearing, and heard public testimony presented at the hearing; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that the application for Accelerated Variance of Nick Nansen is hereby granted, and, therefore, overturns the decision of the IDO Administrator.

BE IT FURTHER RESOLVED, that in arriving at its decision, the Council made the following findings:

1. Construction on the project will be substantially complete within one (1) year of granting the Accelerated Variance. Further requests for extensions beyond the one (1) year period or for expansions of bulk, use or density will not be permitted.

2. The project is consistent with the adopted Community Plan, and Progress Guide and General Plan. There are no applicable Community Plan revisions pending.

3. The project complies with applicable zoning.

4. The project will not result in material damage or prejudice to other property in the vicinity, nor be detrimental to the public health, safety or general welfare.

5. A construction delay on the project would significantly impede the ability of Nick Nansen to proceed at some future time.

6. Absent growth management provisions of the IDO necessitating the application and approval process described in Sections 6. and 7. of the IDO, the project could proceed.

7. Nick Nansen has presented financial evidence of readiness to proceed.

8. Units are available and will be borrowed from the unused allocations of another community. That community allocation will then be reduced accordingly.

9. Length of ownership and occupancy plans demonstrate substantial commitment to community welfare and fostering the Community Plan.

BE IT FURTHER RESOLVED, that the unit granted by the Council pursuant to this Accelerated Variance shall come from Midway.

BE IT FURTHER RESOLVED, that the decision of the Council shall be final.
