ADOPTED ON NOV 23 1987

PROVISIONS OF THE SAN DIEGO MUNICIPAL CODE AND
THE IMPROVEMENT ACT OF 1911.

BE IT RESOLVED, that the Council of The City of San Diego proposes and intends to order the following work to be done and improvements to be made in said City under the provisions of the Improvement Act of 1911.

Section 1

DESCRIPTION OF WORK

The alley to be improved is located between Marlborough Avenue and Kensington Drive, and between Madison Avenue and Monroe Avenue. The improvements consist of an eight inch (8") sewer main, pedestrian ramps, and the grading and paving of a fifteen foot (15') wide alley.

That said work hereinabove described in The Improvement of Alley Block 26, Kensington Park, in said City, shall be done to the grade shown and indicated on the plans and profiles on file in the office of the City Clerk of said City, and hereinafter referred to, and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

It is the opinion of the City Council that the public interest will not be served by allowing the property owners to

take over the contract for the above mentioned improvements; therefore, Section 20421 of the Public Contracts Code will not apply.

Section 2

PLANS, PROFILES, DRAWINGS AND SPECIFICATIONS

All of the work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, of the dimensions, and to the official grades as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. D2270-1 on file in the office of the City Clerk, copies of which are on file in the office of the City Engineer, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

Section 3

DESCRIPTION OF ASSESSMENT DISTRICT

The contemplated work and improvement hereinbefore mentioned is, in the opinion of the Council, of more than local ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and the Council does declare said district to be the district benefited by the work and improvement, and to be assessed to pay the costs and expenses thereof. The district is described as follows:

All that real property in the said City of San Diego included within the exterior boundary lines of said District, as shown upon Plat No. 4020, which plat, approved by the Council is on

file in the office of the City Clerk, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to the plat for a further full and more particular description of the assessment district and the plat so on file shall govern for all details as to the extent of the assessment district.

Section 4

DESCRIPTION OF BONDS

Serial bonds bearing interest at the rate of nine and one half percent (9½%) per annum shall be issued to represent each unpaid assessment of one hundred fifty dollars (\$150) or more, to represent the expenses of the acquisition, work and improvement, all as provided by the "Improvement Act of 1911," being Part 5, Division 7, of the Streets and Highways Code. The interest rate on the Bonds may not exceed the maximum rate allowed by law at the time of award. (The interest rate must be a multiple of 1/100th of 1%.) The bonds shall extend over a period ending nine (9) years from the second day of January next succeeding the next September 1st following their date.

Payments on the principal of unpaid assessments and interest thereof shall be made by property owners to the City Treasurer, and the same shall be disbursed by said City Treasurer, all as provided in the "Improvement Act of 1911" hereinabove referred to. If said bonds are redeemed before maturity and before commencement of proceedings for sale, in addition to all other sums unpaid and accrued, a premium of five percent (5%) of the unmatured principal shall be paid.

If the City Treasurer adds and collects penalties due to delinquent payment of principal and interest on any bond pursuant to Section 6442 of the Streets and Highways Code, as amended, the Treasurer is hereby authorized to retain the first 2% penalty as a cost of servicing the delinquency.

Section 5

TIME AND PLACE OF HEARING

Such protest, if any, must be in writing and must contain a description of the property in which each signer thereof is interested, sufficient to identify the same and shall be delivered to and filed with the City Clerk at a time no later than the hour set for the hearing, all as more particularly provided in Division 7 of the Streets and Highways Code of the State of California.

Persons desiring to make inquiries regarding these proceedings are hereby advised that they may contact the Street Superintendent at the City Operations Building, 1222 First Avenue, San Diego, California 92101 or telephone (619) 236-6010.
