COUNTY OF SAN DIEGO
CITY OF SAN DIEGO

MEMORANDUM

DATE: January 8, 1988

TO: Board of Supervisors
City Council

FROM: Maureen O'Connor, Mayor
George F. Bailey, Chairman

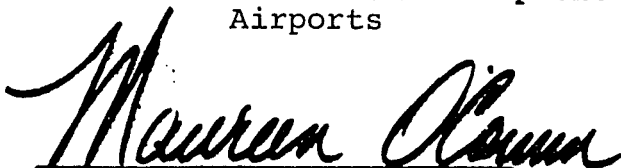

SUBJECT: CITY - COUNTY SHARED PRIORITIES FOR 1988

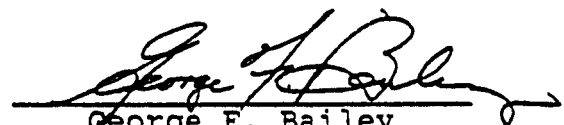

We have met to discuss mutual City and County concerns that will be before us in 1988. We have agreed to face such issues in a coordinated fashion with a high degree of cooperation at both the policy making and staff levels. This joint approach to major problems is a stated goal in both the State of the County Message and State of the City Address.

While the list of matters in which we share an interest is long, we feel it is advantageous to set priorities and focus our energies in those areas which offer the greatest potential benefit. The intent is not to exclude other concerns but, to husband our resources to achieve the greatest good. We have also agreed that some issues logically fall to the lead of one or the other entity while others should be equally shared.

Our proposed list is as follows and we would welcome your comments or suggested modifications so that we can apply ourselves in concert and harmony to the selected items:

| | |

| Growth Management | Joint Effort |
| Solid Waste | Joint Effort |
| Equity Funding from State and Federal Governments | Joint Effort |
