RESOLUTION No. R-270600 (R- --)

Adopted on March 22, 1988

BE IT RESOLVED, by the Council of The City of San Diego as follows:

On March 22, 1988, Council heard two Appeals from the Historical Site Board's decision. At that time, Council voted to adopt Resolutions denying the appeals and approving the historical designations for the two sites with a few changes. Consequently, I wrote the City Attorney asking him to prepare two resolutions to reflect Council's Actions.

I received, from the Attorney's Office, only one Resolution and a note informing me that the two Resolutions were consolidated.

Therefore, this dummy Resolution is being prepared.
