BE IT RESOLVED, by the Council of The City of San Diego, that the application for Non-Accelerated Variance of The Fieldstone Company is hereby granted as to 96 units and, therefore, overturns the decision of the IDO Administrator.

BE IT FURTHER RESOLVED, that in arriving at its decision, the Council made the following findings:

APPROVAL FINDINGS

1. The following discretionary permits were previously approved: TM 84-0085, PRD 85-0494, PRD 86-0340.
2. Substantial public improvements have been constructed, including streets, traffic signals, storm drain and park improvement.
3. The project is consistent with the adopted Community Plan, and Progress Guide and General Plan. There are no applicable Community Plan revisions pending.
4. The project complies with applicable zoning.
5. The project will not result in material damage or prejudice to other property in the vicinity, nor be detrimental to the public health, safety or general welfare.
6. A construction delay on the project would significantly impede the ability of The Fieldstone Company to proceed at some future time.
7. Absent growth management provisions of the IDO necessitating the application and approval process described in Sections 6. and 7. of the IDO, the project could proceed.
8. Length of ownership and occupancy plans demonstrate substantial commitment to community welfare and fostering the Community Plan.

9. The Fieldstone Company has presented financial evidence of readiness to proceed.

10. Units are available and will be borrowed from the unused allocations of another community. That community allocation will then be reduced accordingly.

BE IT FURTHER RESOLVED, that the 96 units granted by the Council pursuant to this Non-Accelerated Variance shall come from Mission Valley area.

BE IT FURTHER RESOLVED, that the decision of the Council shall be final.
