BE IT FURTHER RESOLVED, that before the City Council is to take any action on increasing the size of Pomerado Road, there first must be an advisory vote or referendum conducted by the City, at City expense, in the Scripps Ranch Community; and upon the completion of the improvements to Pomerado Road by the project referred to as the County Island, Pomerado Road shall not be connected with the City of Poway until such time as the opening of Alternative 8A as a paved four-lane road occurs. In view of the certification of the environmental impact report and the community plan amendment relating to Pomerado Road, staff is directed to complete forthwith the City Council's direction of May 9, 1988, set forth in Resolution No. R-270935. The closure of Pomerado Road for improvements is physically necessary due to the earth movement required to create the roadbed, as described in the final environmental impact report. After its construction, it is necessary to keep the roadway closed until the completion of the Scripps North Parkway/South Poway Parkway, commonly referred to as Alternative 8A, in order to avoid the traffic impacts to Pomerado Road through the Scripps Ranch Community described in the final environmental impact report; and that the following evidence is incorporated herein by this reference and serves as further support of the findings herein: all maps, exhibits, written documents, and materials contained in the files regarding this project are on record in The City of San Diego, as are the written documents referred to herein and the oral presentations given.
