

(R-89-2639)

RESOLUTION NUMBER R-272789

ADOPTED ON JANUARY 31, 1989

WHEREAS, on January 31, 1989, the Council of The City of San Diego ("Council") considered the Interim Development Ordinance ("IDO") Accelerated Variance Application No. 88-6082, by Christian Beyerle, to construct a single-family residence located on the south side of Washington Place between Portola Place and Pioneer Memorial Park and is described as Lot No. 2, Block 18 of Mission Hills Subdivision, Map No. 1115 (APN 443-802-11), in the R1-5000 zone, in the Uptown Community Plan area; and

WHEREAS, the request for Accelerated Variance submitted by Christian Beyerle pursuant to the IDO Section 7.B.3. requires the project to consist of not more than three (3) dwelling units or not more than three (3) multi-family dwelling units on a single lot; and

WHEREAS, the request for Accelerated Variance submitted is governed by IDO Section 7.B.4., pursuant to which units granted will be taken from the reserve allocation as set forth in Schedule A of the IDO as modified by the procedures set forth in Resolution No. R-269742 adopted by the Council on November 16, 1987; and

WHEREAS, in arriving at their decision, the Council considered the staff report, the decision of the IDO Administrator, reviewed the plans and materials submitted prior to and at the public hearing, and heard public testimony presented at the hearing; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that the application for Accelerated Variance of Christian Beyerle is hereby granted, and, therefore, overturns the decision of the IDO Administrator.

BE IT FURTHER RESOLVED, that in arriving at its decision, the Council made the following findings:

1. The project is consistent with the adopted Community Plan, and Progress Guide and General Plan. The Uptown Community Plan is currently being revised which will affect small areas in various parts of Uptown. The subject site is not affected.

2. The project complies with applicable zoning.

3. The project will not result in material damage or prejudice to other property in the vicinity, nor be detrimental to the public health, safety or general welfare.

4. A construction delay on the project would significantly impede the ability of Christian Beyerle to proceed at some future time.

5. Absent growth management provisions of the IDO necessitating the application and approval process described in Sections 6. and 7. of the IDO, the project could proceed.

6. Length of ownership and occupancy plans demonstrate substantial commitment to community welfare and fostering the Community Plan.

7. Christian Beyerle has presented financial evidence of readiness to proceed.

BE IT FURTHER RESOLVED, that the Council hereby incorporates those findings contained in Planning Department Memorandum dated

January 31, 1989 to the Honorable Mayor O'Connor and City Council regarding Interim Development Ordinance Variance Request - Variance Criteria Analysis, IDO No. 88-6082, a copy of which is on file in the office of the City Clerk as Document No. RR-272789.

BE IT FURTHER RESOLVED, that the units granted by the Council pursuant to this Accelerated Variance shall come from the reserve.

BE IT FURTHER RESOLVED, that the decision of the Council shall be final.

APPROVED: JOHN W. WITT, City Attorney
