WHEREAS, the Redevelopment Agency of The City of San Diego, ("the Agency") is engaged in activities necessary to carry out and implement the Redevelopment Plan for the Mount Hope Redevelopment Project (the "Project"); and

WHEREAS, the following environmental document has been prepared in connection with and subsequent to the approval and adoption of the Project;

1. Environmental Impact Report for the Mount Hope Redevelopment Plan (EQD No. 82-0214); the Mount Hope Redevelopment Plan was approved by the Council of The City of San Diego (the "Council") and Agency on November 22, 1982, and the Council and Agency certified on November 9, 1982, (Resolution No. R-257472 and No. R-816 respectively) that the information in the Environmental Impact Report on the Mount Hope Redevelopment Plan had been completed and reviewed; and

WHEREAS, the Council proposes to approve a Disposition and Development Agreement with Triad Development Company (the "Developer") pursuant to which: The Agency shall sell cleared

real property to the Developer for the development and construction by the Developer of a clean, three story office building of about 27,000 square feet; and

WHEREAS, the sale of real property pursuant to the Disposition and Development Agreement and the construction of the facilities thereon pursuant to the terms and conditions set forth in the Disposition and Development Agreement and the Mount Hope Redevelopment Plan is one of the redevelopment activities assessed by the Environmental Impact Report for the Project; and

WHEREAS, the Southeast Economic Development Corporation, Inc., acting on behalf of the Agency, has prepared a Secondary Study in accordance with and pursuant to the California Environmental Quality Act of 1970 (CEQA) and State and local regulations and guidelines adopted pursuant thereto and such Secondary Study assesses the environmental impacts of the sale of real property and construction of the facilities pursuant to the Disposition and Development Agreement; NOW, THEREFORE,

BE IT RESOLVED by the Council of The City of San Diego, as follows:

1. The Council hereby certifies that the Secondary Study of environmental impacts with respect to the proposed sale of real property and the construction of a clean, three story office building of about 27,000 square feet pursuant to the Disposition and Development Agreement has been prepared pursuant to the California Environmental Quality Act of 1970 (CEQA) and State and local regulations and guidelines adopted pursuant thereto, and the Agency has certified said Secondary Study.

2. The Council hereby further certifies that the information contained in the Secondary Study and the Environmental Impact Report for the Project has been reviewed and considered by the members of the Council.

3. The Council hereby finds and determines that:

a. No substantial changes are proposed in the Project, or with respect to the circumstances under which the Project is to be undertaken, as a result of the sale of real property and construction of the facilities pursuant to the Disposition and Development Agreement, which will require major or important revisions in the Environmental Impact Report certified for the Project, due to the involvement of new significant environmental impacts not covered in the Environmental Impact Report; and

b. No new information of substantial importance to the Project has become available which was not known or could not have been known at the time the Environmental Impact Report for the Project was certified as complete, and which shows that the Project will have any significant effects not discussed previously in the Environmental Impact Report, or that any significant effects previously examined will be substantially more severe than shown in the Environmental Impact Report, or that any mitigation measures or alternatives previously found not to be feasible or not previously considered would substantially reduce or lessen any significant effects of the Project on the environment; and

c. No subsequent or supplemental Environmental Impact Report is necessary or required; and

d. The sale of real property and construction of the facilities pursuant to the Disposition and Development Agreement will have no significant effect on the environment except as identified and considered in the Environmental Impact Report.

4. The Council hereby finds and determines that the certifications, findings and determinations with respect to environmental impacts in the Project as set forth in Resolution No. R-257472 of the City Council and Resolution No. R-816 of the Agency include as an implementation activity the sale of property and construction of the facilities pursuant to the Disposition and Development Agreement and such certifications, findings and determinations are hereby ratified in their entirety.
