10

A vertical strip of seven small, square, black-and-white photographs showing a person's face in various expressions and poses. The images are arranged in a column, with each photo showing a different facial expression or pose. The person appears to be a woman with dark hair, looking directly at the camera. The photos are small and square, with a white border around each image. The overall effect is a sequence of facial expressions, possibly for a film or a series of portraits.
