DOCKET SUPPORTING INFORMATION  
CITY OF SAN DIEGO

DATE:

August 29, 1989

SUBJECT:

SAN DIEGO STATE UNIVERSITY RESIDENTIAL PERMIT PARKING - 2ND EXPANSION

BACKGROUND: (DOUBLE SPACE)

A majority (80%) of the residences in the proposed expansion area petitioned the City for inclusion in Residential Permit Area B. Traffic Engineering staff conducted field studies of the area on April 12, 1988 and on September 27, 1988. A public hearing, attended by 60 to 75 citizens, was held on the proposed expansion on October 13, 1988, with a follow-up mail poll conducted 2 weeks later. Based on the results of the studies, the hearing, and the poll, staff determined that the following streets and address ranges (Area I) should be included in Residential Permit Area B:

1. Rose Place from 4730 to 4760 (entire cul-de-sac).
2. Stone Court from 5200 to 5299 (entire cul-de-sac).
3. 62nd Street from 4770 to 4840 (between Rose Street and Hobart Street).

Staff also determined that the following streets (Area II) should not be included in Area B, based on low parking occupancy rates and/or low levels of public support in the mail poll:

1. Bixel Street (Drover Drive - END).
2. Dorman Drive (Drover Drive - END).
3. Rose Street (entire length).
4. Stewart Street (entire length).

All criteria established by Division 20 have been met. It is recommended that Residential Parking Area B be expanded to include Area I as described above.

FISCAL IMPACT: Minimal.
