TRANSPORTATION TAX.

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That Chapter III of the San Diego Municipal Code be and the same is hereby amended by adding Article 8, entitled Transient Transportation Tax, to read as follows:

ARTICLE 8

TRANSIENT TRANSPORTATION TAX

SEC. 38.0101 TITLE AND PURPOSE

a. Title. This article shall be known as the Transient Transportation Tax Ordinance of The City of San Diego.

b. Purpose and Intent. It is the purpose and intent of the Council that there be a tax imposed on the rental of vehicles rented in the City of San Diego, the proceeds of which are to be used for those purposes set forth in Section 38.0128 of this article.

SEC. 38.0102 DEFINITIONS

Except where the context otherwise requires, the definitions given in this section govern the construction of this article.

a. Person. "Person" means any individual, firm, partnership, joint venture, association, social club, fraternal organization, joint stock company, corporation, estate, trust, business trust, receiver, trustee, syndicate, or any other group or combination acting as a unit.

b. Transient or Transient Operator. "Transient" or "Transient Operator" means any person who rents or is entitled to rent a vehicle under a written lease agreement for a period of 30 days or less.

c. Passenger Vehicle. As defined in California Vehicle Code section 465, a "passenger vehicle" means any motor vehicle, other than a motor truck or truck tractor, designed for carrying not more than ten (10) persons including the driver and used or maintained for the transportation of persons. "Passenger vehicle" shall include a house car (as defined in California Vehicle Code section 362) and a motorcycle (as defined in California Vehicle Code section 400).

d. Rent. "Rent" means the total consideration charged to the transient operator as shown on the rental agreement for the rental of a vehicle, the rental of which originates in the City of San Diego, including

drop charges, charges for gasoline, time, and mileage, but exclusive of any federal, state or local taxes. It shall include all receipts, cash, credits, property and services of any kind or nature without any deduction therefrom whatsoever. (A "drop charge" is a charge imposed for the surrender of the vehicle to a location other than point of origin.)

e. Collected. "Collected" means the time at which the rent is earned if operator uses the accrual basis of accounting or the time at which the rent is received if operator uses the cash basis of accounting. The same basis of accounting used for keeping the books and records shall be used for reporting and remitting.

f. Operator. "Operator" means the person who is the proprietor of a vehicle rental agency located in the City of San Diego, whether in the capacity of owner, lessee, sublessee, mortgagee in possession, licensee, or any other capacity. Where the operator performs his functions through a managing agent (including a resident manager or resident agent) of any type or character other than an employee without management responsibility, the managing agent shall also be deemed an operator for the purposes of this article and shall have the same duties and be subject to the same liabilities, both civil and criminal, as his principal. Except as provided in section 38.0124(g), compliance with the provisions of this article by either the

principal or the managing agent shall, however, be considered to be compliance by both.

g. Vehicle Rental Agency. "Vehicle rental agency" means any firm, person, corporation or association engaged in the business of renting or offering for rent in the City of San Diego any vehicle, as defined in this

h. Vehicle. "Vehicle," as used herein, means a passenger vehicle defined in this article.

SEC. 38.0103 TAX IMPOSED

Effective 1 September, 1990, each transient operator who rents a vehicle from a vehicle rental agency is subject to and shall pay a tax in the amount of three percent (3%) of the rent charged by the operator. Said tax constitutes a debt owed by the transient to the City which is extinguished only by payment to the operator or to the City. The transient shall pay the tax to the operator at the time such transient ceases to rent the vehicle pursuant to the rental agreement. If the rent is paid in installments, a proportionate share of the tax shall be paid with each installment. If for any reason the tax due is not paid to the operator, the City Treasurer may require that such tax shall be paid directly to the City Treasurer. The tax that is imposed under this section shall be imposed on any transient operator who rents a vehicle from the operator of a vehicle rental agency located in

the City of San Diego, regardless of whether the rental is to terminate or does terminate outside the city limits of the San Diego.

SEC. 38.0111 EXEMPTIONS

No tax shall be due or collected in the following cases:

a. When the transient has exercised rental rights or was entitled to rental rights for more than 30 days;

b. When the transient is by treaty or federal or state law exempt from payment of transient transportation taxes; or

c. When the rents are directly paid by the United States Government or the State of California or their respective instrumentalities. This exemption does not exempt a transient who is employed by an exempt entity from payment of the tax when the payment is later to be reimbursed by the entity.

SEC. 38.0112 OPERATOR'S DUTIES AND ACCOUNTING PROCEDURES

a. Each operator shall collect the tax imposed by this article to the same extent and at the same time as the rent is collected from every transient. If the operator collects the rent but fails to collect the tax imposed by this article for any reason, the City shall require the operator to pay such tax. The amount of tax shall be separately stated from the amount of the rent charged, and each transient shall receive a receipt for payment from the operator. A duplicate of this receipt shall be kept by the operator in accordance with Section 38.0121. No operator shall advertise or state in any manner, whether directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the operator or that it will not be added to the rent or that, if added, any part will be refunded except in the manner hereinafter provided. Each operator shall account separately for and maintain separate monthly summary totals for taxable and nontaxable rents and for taxes collected. Taxable rents are those defined in Section 38.0102.

b. The operator shall maintain its financial and accounting records in accordance with established accounting principles acceptable to the City Treasurer. In the event the operator offers paid packages or complimentary services, the charges shall be accounted for in accordance with the rules and regulations promulgated by the City Treasurer.

SEC. 38.0113 REGISTRATION

a. Within thirty (30) days after the effective date of this article, or within thirty (30) days after commencing business, whichever is later, each operator shall register with the City Treasurer and obtain a "Transient Transportation Registration Certificate" to be posted at all times in a conspicuous place on the premises. Said certificate shall include the following:

- (1) The name of the operator;
- (2) The address of the business;
- (3) The date upon which the certificate was issued;

(4) The following statement: "This Transient Transportation Registration certificate signifies that the person named on the face hereof is required to collect a transient transportation tax from transient operators and to remit the same to the City Treasurer and has fulfilled the requirements of the Transient Transportation Tax Ordinance by registering with the City Treasurer for the purpose of collecting from transients the Transient Transportation Tax and remitting said tax to the City Treasurer. This certificate does not constitute a permit to operate a vehicle rental business."

b. It shall be unlawful to operate a vehicle rental business without a Transient Transportation Tax Certificate or to fail to post the certificate in a conspicuous place at all times.

SEC. 38.0114 REMITTING AND REPORTING

All operators shall remit monthly the full amount of taxes collected for the previous month with the appropriate approved return form available from the City Treasurer.

Returns and taxes remitted monthly and received by the City Treasurer postmarked on or before the last day of the following month shall be deemed timely filed and remitted; otherwise, the taxes are delinquent and subject to the penalties imposed by Section 38.0116.

Returns shall be made on a calendar month basis unless a reporting basis other than a calendar month reporting period is approved. An operator that desires to utilize a reporting period other than a calendar month reporting period must request and obtain written approval from the City Treasurer prior to the implementation of such reporting plan.

a. Calendar Month. Each operator reporting on a calendar month basis shall, on or before the last day of the following month, make a return to the City Treasurer on approved forms of the total taxable rents charged and the amount of tax collected for the previous month and the balance of the tax due. At the time the return is filed, the full amount of the balance of the tax due shall be remitted to the City Treasurer.

b. Other Approved Reporting Periods. Each operator reporting on an approved basis other than a

calendar month basis shall, on or before the same day of the next month following the close of such reporting period, or on the last day of that month if no corresponding calendar day exists, make a return to the City Treasurer on approved forms of the total taxable rents charged and the amount of tax collected for the month and the balance of the tax due. At the time the return is filed, the full amount of the balance of the tax due shall be remitted to the City Treasurer.

c. Timely Returns. Returns filed and taxes remitted by mail shall be deemed timely filed only if the envelope or similar container enclosing the returns and taxes is addressed to the City Treasurer, has sufficient postage and bears a United States postmark or a postage meter imprint prior to midnight on the last day for reporting and remitting without penalty. If such envelope or other container bears a postage meter imprint as well as a United States Post Office cancellation mark, the latter shall govern in determining whether the filing and remittance are timely.

d. All taxes collected by an operator pursuant to this Article shall be held in trust for the account of the City until payment thereof is made to the City Treasurer.

e. All returns and payments submitted by each operator shall be treated as confidential by the City

Treasurer and shall not be released except upon order of a court of competent jurisdiction or to an officer or agent of the United States, the State of California, the County of San Diego, or The City of San Diego for official use only.

**SEC. 35.0115 REMITTING AND REPORTING REQUIREMENTS
UPON CESSATION OF BUSINESS**

a. An operator who is transferring, selling or terminating its business shall notify the City Treasurer in writing of such sale, transfer or termination and the name and address of the purchaser or transferee at least thirty (30) days in advance of the date of transfer, sale or termination, unless the decision to sell, transfer or terminate was made within less than a thirty (30) day period prior to the transfer, sale or termination, in which case the operator shall then immediately notify the City Treasurer. The operator shall, at the same time, notify the purchaser or transferee of their responsibility for unpaid collected taxes as set forth in sections 38.0137 and 38.0138, and further certify in writing to the City Treasurer that the transferee or purchaser was notified of the requirements of this Article regarding its responsibility for unpaid collected taxes.

b. Cessation of Business. Each operator upon cessation of business for any reason shall, on or before the same day of the next month following the cessation

of business or on the last day of that month if no corresponding day exists, make a return to the City Treasurer on approved forms of the total taxable rents charged, the amount of tax collected for the reporting period, remittances made, if any, and the balance of the tax due. At the time the return is filed, the full amount of the balance of the tax due, if any, shall be remitted to the City Treasurer. After filing the final return and remitting the balance due, the operator shall make his records of account available for a closeout audit by the City Treasurer or duly authorized City employee. Returns filed and taxes remitted and actually received by the City Treasurer on or before the same day of the next month following the cessation of business or on the last day of that month if no corresponding calendar day exists shall be deemed timely filed and remitted; otherwise, the taxes are delinquent and subject to the penalties imposed by Section 38.0116.

c. The liability of the transferee or purchaser for transient transportation taxes collected by the transferor or seller is set forth in Sections 38.0137 and 38.0138.

d. Any operator who fails to comply with the provisions of subsections (a) or (b) hereunder is guilty of a misdemeanor.

SEC 38.0116 PENALTIES

a. Delinquency. Any operator who fails to remit any tax imposed by this Article within the time required shall pay a penalty computed at the rate of one percent (1%) for the first day of delinquency and one-third of one percent (1/3 of 1%) for each day thereafter, including Saturdays, Sundays, and holidays, but not to exceed twenty-five percent (25%) of the amount of the tax due and payable for the entire reporting period in addition to the amount of the tax.

b. Fraud. If the City Treasurer determines that the nonpayment of any remittance due under this ordinance is due to fraud, a penalty of twenty-five percent (25%) of the amount of the tax shall be added thereto in addition to the penalties stated in subparagraph (a) of this section.

c. Audit Deficiency. If, upon audit by the City, an operator is found to be deficient in either its return or its remittance or both, the City Treasurer shall immediately invoice the operator for the amount of the net deficiency plus a penalty of ten percent (10%) of the net deficiency. If the operator fails or refuses to pay the deficient amount and applicable penalties within fourteen (14) days of the date of the City Treasurer's invoice, an additional penalty shall be imposed at the rate of one-third of one percent (1/3 of 1%) per day of the net deficiency, not to exceed fifteen percent (15%) for a combined total penalty not to exceed twenty-five percent (25%) of the net deficiency.

**SEC. 38.0117 FAILURE TO COLLECT OR REPORT TAX --
JEOPARDY DETERMINATION**

a. Determination of Tax by City Treasurer. If any operator shall fail or refuse to collect the tax or to make, within the time provided in this Article, any report or remittance of said tax or any portion thereof required by this Article or if such operator maintains records which are inadequate to show the amount of tax due, the City Treasurer shall forthwith assess the tax and penalties provided for by this Article against the operator.

b. Jeopardy Determinations. When an operator fails or refuses to make or file a timely return or remittance of taxes, or when the City Treasurer or duly authorized employee makes a determination, after having applied necessary and accepted auditing procedures or by estimation if no records are available, that an operator is or will be unable to remit any taxes collected or otherwise due at the prescribed time, the City Treasurer may make a written Jeopardy Determination which shall be issued to the operator to require the operator to thereafter furnish additional information or provide adequate security as necessary to ensure collection of any taxes due or to become due, and to remit the taxes on a daily or weekly basis. The operator shall thereafter report and remit all taxes due under the terms and conditions prescribed by the City Treasurer.

The City Treasurer shall cancel the requirements imposed under the Jeopardy Determination once timely accounting and remittance procedures have been established and the operator is satisfying all obligations imposed by law for the remittance of taxes.

c. Notice. The City Treasurer shall deliver notice of the assessment or of the Jeopardy Determination to the operator or deposit it in the United States mail, postage prepaid, addressed to the operator at the last known place of business.

SEC. 38.0118 ADMINISTRATIVE REMEDIES AND APPEALS

a. The operator may within fourteen (14) days after the serving or mailing of such notice make application in writing to the City Treasurer for a hearing on the amount assessed pursuant to section 38.0117. If timely application for a hearing is not made, the tax and penalties determined by the City Treasurer shall become final and conclusive and immediately due and payable. If such application is made, the City Treasurer shall give not less than five (5) days written notice in the manner prescribed herein to the operator of the time and place for a hearing before a board consisting of the City Treasurer, the City Auditor and Comptroller and the Financial Management Director or the duly appointed deputy of each. At the hearing, the operator may appear and offer evidence why the specified tax and penalties should not

be so fixed. The board shall consider all evidence produced and shall determine the proper tax to be remitted. After the hearing, the City Treasurer shall give written notice to the operator in the manner prescribed herein of the determination and the amount of such tax and penalties. If the amount remaining in dispute thereafter does not exceed \$750.00, the decision of the hearing board shall be final and conclusive and shall constitute the exhaustion of the operator's administrative remedies. Any amount found to be due shall be payable within fourteen (14) days of the serving or mailing of the determination of the tax due unless a further appeal is filed with the City Manager as provided in this section within that fourteen (14) day period for any amount in excess of \$750.00.

b. When an appeal from the hearing board for remaining taxes and penalties exceeding \$750.00 is filed, the City Manager shall cause the appeal to be assigned to a Hearing Officer, who shall schedule a hearing to be heard as soon as practicable, but no later than sixty (60) days thereafter. The Hearing Officer shall be appointed by the City Manager, shall be a member of the California State Bar and shall not be a City employee. The Hearing Officer shall be compensated by the City of San Diego for the time spent on deciding an appeal.

c. The appellant and the City Manager or designate shall each have the right to appear in person and be represented by legal counsel, to receive notice, to present evidence, to call and cross-examine witnesses under oath and to present argument. The Hearing Officer shall have the power to compel attendance of witnesses and documents by Subpoena in accordance with the Civil Code. The formal rules of evidence shall not apply and any relevant evidence that is the sort of evidence upon which responsible persons are accustomed to rely in the conduct of serious business affairs shall be admissible. Hearsay evidence may be considered by the Hearing Officer, but no findings may be based solely on hearsay evidence unless supported or corroborated by other relevant and competent evidence. The formal exceptions to the hearsay rule shall apply.

d. The Hearing Officer is authorized to rule upon issues of law or fact and to determine the amount of the tax or penalty in accordance with this Article. The Hearing Officer shall not have any jurisdiction to waive, mitigate or suspend the collection of any tax or penalty found to be duly imposed.

e. The decision of the Hearing Officer shall be issued in writing no later than thirty (30) days after the conclusion of the hearing. The decision shall be the final administrative remedy of the appellant and shall be binding upon the City Manager. Any amounts due shall be immediately payable to the City Treasurer.

f. The City Manager shall promulgate supplementary rules and procedures for the conduct of the hearing, the forms of notice and proceedings and the preparation and submission of the record.

SEC. 38.0119 Reserved for future use

SEC. 38.0120 Reserved for future use

SEC. 38.0121 RECORDS

It shall be the duty of every operator liable for the collection and payment to the city of any tax imposed by this Article to keep and preserve, for a period of three years within the boundaries of this City, all business records as may be necessary to determine the amount of such tax for which the operator is liable for collection and payment to the City. The City Treasurer and authorized deputies or agents in the exercise of duties imposed by this Article shall have the right to inspect such records at all reasonable times and to apply auditing procedures necessary to determine the amount of tax due to the City. It shall be unlawful to refuse to allow or to permit such audit to be conducted after a lawful demand therefor by the City Treasurer, or the City Auditor when so requested by the City Treasurer.

SEC. 38.0122 REFUNDS

a. Whenever the amount of any tax or penalty has been overpaid, paid more than once or has been erroneously or illegally collected or erroneously

received by the City under this article, the overpayment may be refunded provided a claim in writing under penalty of perjury stating the specific grounds upon which the claim is founded is filed with the City Treasurer within three years of the date of payment. The claim shall be on forms available from the City Treasurer.

b. An operator may claim a refund or take as a credit against taxes collected and remitted the amount overpaid, paid more than once or erroneously or illegally collected or received when it is established in a manner prescribed by the City Treasurer that the person from whom the tax has been collected was not a transient; provided, however, that neither a refund nor a credit shall be allowed unless the amount of the tax so collected has either been refunded to the transient or credited to rent subsequently payable by the transient to the operator.

c. A transient may obtain a refund of taxes overpaid or paid more than once or erroneously or illegally collected or received by the City by filing a claim in the manner provided in subparagraph (a) of this section, but only when the transient having paid the tax to the operator establishes to the satisfaction of the City Treasurer that the transient has been unable to obtain a refund from the operator who collected the tax.

d. An operator who has remitted an amount in excess of the amount required to be paid by this article may receive a credit to the extent of the excess. If the excess is discovered as a result of an audit by the City, no claim need be filed by the operator. Such credit, if approved by the Treasurer, shall be applied to any deficiency found or any further tax payments due under the rules prescribed by the Treasurer.

e. No refund shall be paid under the provisions of this section unless the claimant establishes his right thereto by written records showing entitlement thereto.

SEC. 38.0123 ACTIONS TO COLLECT TAXES AND ENFORCEMENT OF LIENS

a. Any tax required to be paid by any transient under the provisions of this article shall be deemed a debt owed by the transient to the City and payable through the operator. Any tax collected by an operator which has not been paid to the City shall be deemed funds held in trust for the account of the City which are due and payable by the operator to the City pursuant to the provisions of this article. Any person owing money to the City under the provisions of the article shall be liable to an action brought in the name of The City of San Diego for the recovery of such amount. Upon the concurrence of the City Attorney and the City Auditor and Comptroller, the City Treasurer is authorized to compromise the collection of the amount or

establish a schedule of payment for any tax due, or to discontinue the collection of any claim if it appears that further proceedings would be without merit.

b. Recording of a Certificate of Lien. If any amount required to be paid to the City under this article is not paid when due, the City Treasurer may record in the office of the San Diego County Recorder a certificate which specifies the amount of tax and penalties due, the name and address of the operator liable for the same, a statement that the City Treasurer has complied with all provisions of this article in the determination of the amount required to be paid and a legal description of the real property owned by the operator. From the time of the recording of the certificate, the amount required to be paid together with penalties constitutes a lien upon all real property in the county owned by the operator or thereafter acquired before the lien expires. The lien has the force, effect and priority of a judgment lien and shall continue for ten (10) years from the filing of the certificate unless sooner released or otherwise discharged.

c. Warrant for Collection of Tax. At any time within three (3) years after the recording of a certificate of lien under Section 38.0123(b), the City Treasurer may issue a warrant directed to any sheriff or marshal for the enforcement of the lien and the

collection of any tax and penalties required to be paid to the City under this Article. The warrant shall have the same effect as a writ of execution, and be executed in the same manner and with the same effect as a levy and sale pursuant to a writ of execution. The City Treasurer may pay or advance to the sheriff or marshal such fees, commissions and expenses for services as are provided by law for similar services pursuant to a writ of execution.

d. Seizure and Sale. In lieu of issuing a warrant under subsection (c), at any time within the three (3) years after an assessment was issued or a certificate of lien was recorded under section 38.0123(b), the City Treasurer may collect the delinquent amount by seizing or causing to be seized any property, real or personal, of the operator and sell any noncash or nonnegotiable property or a sufficient part of it at public auction to pay the amount of tax due together with any penalties and any costs incurred on account of the seizure and sale. Any seizure made to collect taxes due shall only be of property of the operator not exempt from execution under the provisions of the Code of Civil Procedure.

SEC. 38.0124 VIOLATIONS AND CRIMINAL PROCEEDINGS

a. Any operator who wilfully fails to collect or cause to be collected the transient transportation tax due from a transient is guilty of misdemeanor.

b. Any operator who wilfully fails to file or cause to be filed any return required by this article, or who files or causes to be filed a false return, or who wilfully fails or refuses to remit or cause to be remitted any tax collected, or who refuses to allow an audit to be conducted, is guilty of a misdemeanor.

c. The commencement of criminal proceedings shall neither preclude nor abate administrative or civil actions to collect taxes due under this article.

d. Violations under this section are continuing violations and each day the violation continues constitutes a separate misdemeanor.

e. Any operator violating any of the other mandatory provisions of this article shall be guilty of a misdemeanor.

f. Violations shall be punishable as misdemeanors by a fine of not more than one thousand dollars (\$1,000) or by imprisonment in the County jail for a period of not more than six (6) months or by both such fine and imprisonment.

g. Non-defense. It shall not be a defense to violations of this article that the operator, including a resident manager, had forwarded any return due or tax collected to its principal or corporate headquarters, nor that any failure to file or remit taxes was based on the direction or inaction of such principal or corporate headquarters.

If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this article or any part thereof is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portions of this article or any part thereof. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof, irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional.

SEC. 38.0137 DUTY OF SUCCESSOR OF OPERATOR

If an operator who is liable for any tax or penalties under this Article sells or otherwise disposes of his business, his successor shall notify the City Treasurer of the date of sale at least thirty (30) days before the date of sale or, if the decision to sell was made less than thirty (30) days prior to the actual sale, then immediately and shall withhold a sufficient portion of the purchase price to equal the amount of such tax or penalty until the selling operator produces a receipt from the Treasurer showing that the tax or penalty has been paid or a tax clearance certificate from the City Treasurer stating that no tax or penalty is due. If the seller does not present a receipt or tax clearance certificate within thirty (30) days after such successor commences to conduct business, the successor shall deposit the withheld amount with the City Treasurer pending settlement of the seller's account.

SEC. 38.0138 LIABILITY OF SUCCESSOR FOR FAILURE TO
WITHHOLD: NOTICE OF AMOUNT DUE

If the successor to the business fails to withhold a portion of the purchase price as required, it shall be liable to the City for the payment of the amount required to be withheld. Within thirty (30) days after receiving a written request from the successor for a tax clearance certificate stating that no tax or penalty is due, the City Treasurer shall either issue the certificate or mail notice to the successor at its address as it appears on the records of the City Treasurer of the estimated amount of the tax and penalty that must be paid as a condition of using the certificate.

This ordinance amends Chapter III of the San Diego Municipal Code by adding Article 8 relating to the imposition of a tax on the rental of certain vehicles in the City of San Diego for 30 days or less. A tax of 3% is imposed on vehicle rental charges for "Passenger vehicles," as defined, for rentals originating in the City of San Diego. "Rent" is defined as the charges for time, mileage, gasoline, and "drop charges," but excludes taxes. The tax is imposed on vehicle rental of thirty (30) days or less and is to be collected from the lessee. Taxes collected are to be remitted to the City Treasurer for deposit to the General Fund for the general purposes of the City. The lessor is responsible for collecting the taxes from the lessee and is liable to the City for the failure to collect or remit same. Collection, accounting and enforcement procedures are outlined in the ordinance.
Criminal and civil penalties are imposed for the willful failure to collect, remit or properly account for taxes collected or due. Administrative procedures are established to allow for dispute resolution of liens.
The transferor and transferee of vehicle rental businesses are each made responsible for reporting, collecting and withholding any taxes due or collected for the account of the City.
The ordinance further provides for the promulgation of implementing rules and regulations by the City Treasurer.
A complete copy of the Ordinance is available for inspection in the Office of the City Clerk of the City of San Diego, 2nd Floor, City Administration Building, 202 "C" Street, San Diego, CA 92101.
