

**RESOLUTION No.** R-275105 (R-      )

Adopted on February 6, 1990

BE IT RESOLVED, by the Council of The City of San Diego as follows:

At the meeting of February 6, 1990, during the hearing of Item-331, an appeal of the La Jolla Shores Association, CDP-89-0445, a motion to Grant the appeal failed on a 4 to 3 vote. The City Attorney ruled that the appeal therefore should be Deemed Denied due to a lack of 5 affirmative votes.

I later wrote the Attorney asking him to prepare a resolution to reflect Council's action. The Attorney responded that a resolution would not be necessary, that the decision of the lower body stands automatically.

In light of this, I am preparing a dummy resolution for this number.
