

RESOLUTION No. R-275183 (R-)

Adopted on February 26, 1990

BE IT RESOLVED, by the Council of The City of San Diego as follows:

In assigning resolution numbers to my draft action sheet of February 26, I inadvertently placed this item number beside item-103, Item-103 was continued and did not require a resolution number. Consequently, I am drafting a dummy resolution for that number.
