

(R-91-86)

RESOLUTION NUMBER R- 276183

ADOPTED ON III 23 1990

WHEREAS, the Suggestion Awards Committee has heretofore made certain recommendations to this Council; and

WHEREAS, the Council has reviewed said recommendations as well as the suggestions as presented; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that the following suggestion awards are hereby approved and the Auditor and Comptroller is hereby directed to issue warrants out of the General Fund for the following suggestions:

NAME(S): Rodney S. Ballard
DEPARTMENT: Fire
AMOUNT: \$25
SUGGESTION: Mr. Ballard was a Fire Engineer at the time he submitted this suggestion. He suggested issuing medical/airway equipment to the training captain conducting physical ability make-up tests. This is a full intangible safety award.

NAME(S): Maurice A. McKeirnan, Jr.
DEPARTMENT: Water Utilities
AMOUNT: \$320
SUGGESTION: Mr. McKeirnan was a Waste Water Plant Operator at the time of this suggestion. He suggested installing spring-loaded valves in the fill lines so the valve would automatically shut off when the operator removed his hand. Actual savings are are hard to measure. This is a full intangible award.

NAME(S): Antonio Johnson
DEPARTMENT: Park and Recreation
AMOUNT: \$90
SUGGESTION: Mr. Johnson was a Recreation Leader I at the time of this suggestion. He suggested that Park and Recreation adopt the theme song he wrote as their official theme song. This is his full award.

NAME(S): Ronald B. Trenton
DEPARTMENT: Park and Recreation
AMOUNT: \$50
SUGGESTION: Mr. Trenton was a Lifeguard II at the time of this suggestion. He recommended that the Department purchase carriers for the month-to-month resuscitation devices used by the lifeguards. Although savings cannot be measured, this is considered a safety improvement.

NAME(S): George M. Harkleroad
DEPARTMENT: General Services
AMOUNT: \$90
SUGGESTION: Mr. Harkleroad was an Electrician in Buildings Division at the time of this suggestion. He suggested that oscillating fans be installed in the South Clairemont Library instead of ceiling fans. Because of the cost of ceiling fans, the Department would not have installed them. The oscillating fans were installed and improved conditions. A full intangible award is given. Actual savings cannot be determined.

NAME(S): Maureen Dixon
DEPARTMENT: Purchasing
AMOUNT: \$80
SUGGESTION: Ms. Dixon suggested that the lists of monthly and quarterly open and blanket purchase orders be accessible from a terminal. The Purchasing Department system has been evolving since 1981 with input from many people. This suggestion resulted in a minor contribution to this system. An full intangible award is recommended because actual savings are impossible to identify.

NAME(S): Monica Montgomery
DEPARTMENT: Risk Management
AMOUNT: \$45
SUGGESTION: Ms. Montgomery was a Word Processor Operator in Risk Management at the time of this suggestion. She suggested sending closed Long Term Disability cases to storage as soon as they are closed. This resulted in more free space. It is an intangible operational improvement.

R-276183

NAME(S): Eugene Forcier
DEPARTMENT: Risk Management
AMOUNT: \$33.72
SUGGESTION: Mr. Forcier was a Claims Representative I at the time of this suggestion. He suggested that the computer generated daily diary for Workers' Compensation claims adjusters include a column to indicate if the claim was for lost time or medical only. This resulted in savings of \$370.08. This is the remainder of his award.

APPROVED: JOHN W. WITT, City Attorney
