

RESOLUTION NUMBER R- 276376

ADOPTED ON AUG 7 1990

A RESOLUTION CALLING A SPECIAL DISTRICT ELECTION
WITHIN SAN DIEGO OPEN SPACE PARK FACILITIES
DISTRICT NO. 1 FOR THE PURPOSE OF INCURRING A
BONDED INDEBTEDNESS THEREOF; AND PROVIDING FOR ITS
CONSOLIDATION WITH THE STATEWIDE GENERAL ELECTION.

BE IT RESOLVED, by the Council of The City of San Diego, as follows:

1. A special district election is hereby called and ordered to be held within and for the San Diego Open Space Park Facilities District No. 1 on Tuesday, the 6th day of November, 1990, at which shall be submitted to the qualified electors of the District the question of incurring a bonded indebtedness thereof for the objects and purposes set forth in the following proposition to be used therein, viz:

PROPOSITION: Shall the San Diego Open Space Park Facilities District No. 1 ~~incur an indebtedness, to be~~ represented by bonds of the District, in the maximum principal amount of ONE HUNDRED MILLION DOLLARS (\$100,000,000), to provide funds for the acquisition of open space and other park facilities authorized to be acquired and constructed by the District, as more particularly set forth in Exhibit A to, and subject to the restrictions set forth in, Resolution No. R-276376 ?

2. The maximum amount of the proposed indebtedness, to be represented by bonds of said District, to pay the costs and expenses of acquiring open space and other park facilities, is

the principal amount of ONE HUNDRED MILLION DOLLARS
(\$100,000,000).

3. The boundaries of said District, as finally determined by the City Council, are coterminous with the exterior boundaries of the City of San Diego. Reference is hereby made to the map entitled Map of Boundaries of San Diego Open Space Park Facilities District No. 1, San Diego County, California, on file with the City Clerk and open to public inspection.

4. To insure the character and viability of San Diego's natural environment, open space must be designated and protected through land-use regulation as well as through land acquisition. Funds from the bond measure to be submitted to the voters pursuant to Section 1 hereof ("Bond Funds") shall be made available for the purchase of strategic parcels of significance which would not otherwise be obtained through the regulatory process and which would enhance or connect designated open space areas. Bond Funds in no way substitute for good land-use planning and strong resource-~~protection~~ regulation.

5. The specific open space and park facilities set forth in Exhibit A hereto (the "Facilities") may only be supplemented by a two-thirds affirmative vote of all members of the City Council. Facilities may not be deleted from Exhibit A.

6. The City Council shall hold a dedication hearing within 180 days after the close of escrow on any parcel of land acquired with Bond Funds. At such hearing, if the City Manager does not demonstrate to the satisfaction of the City Council why such parcel or parcels shall not be dedicated to open space, park or

recreation purposes, the City Council shall dedicate such parcel or parcels to open space, park or recreation purposes.

7. The City Council recognizes that the total cost of acquiring all of the Facilities will exceed \$100,000,000. In order to facilitate the completion of the acquisition of the Facilities, the Council will actively seek alternative funding sources from the state or the federal government to meet these objectives. The Council will also encourage citizens of San Diego and organizations concerned with parks, open space and recreation to seek other funding for the Facilities.

8. Of the total amount of Bond Funds, \$15,000,000 is hereby reserved for Facilities to be located in the San Dieguito River Valley, and \$15,000,000 is hereby reserved for Facilities to be located in the Otay River Valley and Tijuana River Valley, with the \$15,000,000 to be split between the Otay and Tijuana River Valleys, a minimum of \$5,000,000 being reserved for each of the Otay and Tijuana River Valleys.

9. Bond Funds shall not be used for mitigation plans, resource recovery or other local, state or federally mandated actions.

10. This Council does hereby submit to the qualified electors of the District, at said special district election, the proposition set forth in Section 1 hereof. The District proposes to acquire, construct and complete the authorized open space and other park facilities and to issue and sell bonds of the District pursuant to the San Diego Park Facilities District Procedural Ordinance, in one or more series in the maximum amounts and for

the objects and purposes set forth above if a majority of all qualified voters voting on the proposition set forth above vote in favor thereof. The bonds are to be payable from and secured by special assessment taxes levied and collected in the manner prescribed by laws of the State of California. All of said bonds are to be equally and ratably secured, without priority, by the special assessment taxing power of the District.

11. The polls for said election shall be opened at seven o'clock a.m. of the day of said election and shall remain open continuously from said time until eight o'clock p.m. of the same day, when said polls shall be closed, except as provided in Section 14301 of the Elections Code of the State of California.

12. The special district election hereby called for the date hereinbefore specified shall be, and is hereby ordered, consolidated with the statewide general election to be held within the District on said date, and within the territory affected by the consolidation, the election shall be held and conducted, election officers appointed, voting precincts designated, ballots printed, polls opened and closed, ballots counted and returned, returns canvassed, results declared, and all other proceedings incidental to and connected with the election shall be regulated and done in accordance with the provisions of law regulating the statewide general election and specified herein. The Board of Supervisors of the County of San Diego is hereby requested to order the consolidation of the special district election hereby called with said statewide general election, and the Board of Supervisors of the County of

San Diego is hereby authorized to canvass the returns and declare the results of said special district election and said election shall be held in all respects as if there were only one election and only one form of ballot shall be used. The measure submitted by this resolution shall be designated on the ballot by a letter printed on the left margin of the square containing the description of the measure, as provided in Section 10219 of the Elections Code of the State of California.

13. The elections hereby consolidated shall be held in all respects as if there were only one election, and only one form of ballot shall be used.

14. All persons qualified to vote at general municipal elections in the City upon the date of the election herein provided for shall be qualified to vote upon the proposition submitted at said special election.

15. Ballots for the election shall be provided in the form and number provided by law. On said ballots, in addition to any other printed matter which may be required by law, two voting squares shall be set off to the right of the proposition submitted at the election, in the manner provided by law, one having the word "YES" printed before it, and the other having the word "NO" printed before it.

16. Each voter to vote for the proposition and for the incurring of said indebtedness shall stamp or write a cross, or indicate by hole punch or other means, in the blank space opposite the word "YES" on the ballot to the right of the proposition; and each voter to vote against the proposition and

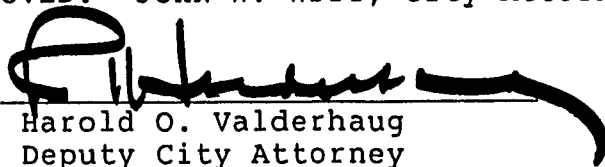

against incurring other indebtedness shall stamp or write a cross, or indicate by hole punch or other means, in the blank space opposite the word "NO" on the ballot to the right of the proposition.

17. This resolution shall be adopted and certified copies thereof shall be filed with the County Board of Supervisors and County Clerk of San Diego County, on or before August 10, 1990.

18. This resolution shall be published once a week for two successive weeks prior to the date set for the election in the Daily Transcript, a newspaper of general circulation printed and published in the City, the first of which shall be not less than thirty (30) days prior to the day of election.

APPROVED: JOHN W. WITT, City Attorney

RESOLUTION NUMBER R-276376

ADOPTED ON AUG 7 1990

A RESOLUTION CALLING A SPECIAL DISTRICT ELECTION WITHIN SAN DIEGO OPEN SPACE PARK FACILITIES DISTRICT NO. 1 FOR THE PURPOSE OF INCURRING A BONDED INDEBTEDNESS THEREOF; AND PROVIDING FOR ITS CONSOLIDATION WITH THE STATEWIDE GENERAL ELECTION.

BE IT RESOLVED, by the Council of The City of San Diego, as follows:

1. A special district election is hereby called and ordered to be held within and for the San Diego Open Space Park Facilities District No. 1 on Tuesday, the 6th day of November, 1990, at which shall be submitted to the qualified electors of the District the question of incurring a bonded indebtedness thereof for the objects and purposes set forth in the following proposition to be used therein, viz:

PROPOSITION: Shall the San Diego Open Space Park Facilities District No. 1 incur an indebtedness, to be represented by bonds of the District, in the maximum principal amount of ONE HUNDRED MILLION DOLLARS (\$100,000,000), to provide funds for the acquisition of open space and other park facilities authorized to be acquired and constructed by the District, as more particularly set forth in Exhibit A to, and subject to the restrictions set forth in, Resolution No. R-276376?

2. The maximum amount of the proposed indebtedness, to be represented by bonds of said District, to pay the costs and expenses of acquiring open space and other park facilities, is the principal amount of ONE HUNDRED MILLION DOLLARS (\$100,000,000).

3. The boundaries of said District, as finally determined by the City Council, are coterminous with the exterior boundaries of the City of San Diego. Reference is hereby made to the map entitled Map of Boundaries of San Diego Open Space Park Facilities District No. 1, San Diego County, California, on file with the City Clerk and open to public inspection.

4. To insure the character and viability of San Diego's natural environment, open space must be designated and protected through land-use regulation as well as through land acquisition. Funds from the bond measure to be submitted to the voters pursuant to Section 1 hereof ("Bond Funds") shall be made available for the purchase of strategic parcels of significance which would not otherwise be obtained through the regulatory process and which would enhance or connect designated open space areas. Bond Funds in no way substitute for good land-use planning and strong resource protection regulation.

5. The specific open space and park facilities set forth in Exhibit A hereto (the "Facilities") may only be supplemented by a two-thirds affirmative vote of all members of the City Council. Facilities may not be deleted from Exhibit A.

6. The City Council shall hold a dedication hearing within 180 days after the close of escrow on any parcel of land acquired with Bond Funds. At such hearing, if the City Manager does not demonstrate to the satisfaction of the City Council why such parcel or parcels shall not be dedicated to open space, park or recreation purposes, the City Council shall dedicate such parcel or parcels to open space, park or recreation purposes.

7. The City Council recognizes that the total cost of acquiring all of the Facilities will exceed \$100,000,000. In order to facilitate the completion of the acquisition of the Facilities, the Council will actively seek alternative funding sources from the state or the federal government to meet these objectives. The Council will also encourage citizens of San Diego and organizations concerned with parks, open space and recreation to seek other funding for the Facilities.

8. Of the total amount of Bond Funds, \$15,000,000 is hereby reserved for Facilities to be located in the San Dieguito River Valley, and \$15,000,000 is hereby reserved for Facilities to be located in the Otay River Valley and Tijuana River Valley, with the \$15,000,000 to be split be-

tween the Otay and Tijuana River Valleys, a minimum of \$5,000,000 being reserved for each of the Otay and Tijuana River Valleys.

9. Bond Funds shall not be used for mitigation plans, resource recovery or other local, state or federally mandated actions.

10. This Council does hereby submit to the qualified electors of the District, at said special district election, the proposition set forth in Section 1 hereof. The District proposes to acquire, construct and complete the authorized open space and other park facilities and to issue and sell bonds of the District pursuant to the San Diego Park Facilities District Procedural Ordinance, in one or more series in the maximum amounts and for the objects and purposes set forth above if a majority of all qualified voters voting on the proposition set forth above vote in favor thereof. The bonds are to be payable from and secured by special assessment taxes levied and collected in the manner prescribed by laws of the State of California. All of said bonds are to be equally and ratably secured, without priority, by the special assessment taxing power of the District.

11. The polls for said election shall be opened at seven o'clock a.m. of the day of said election and shall remain open continuously from said time until eight o'clock p.m. of the same day, when said polls shall be closed, except as provided in Section 14301 of the Elections Code of the State of California.

12. The special district election hereby called for the date hereinbefore specified shall be, and is hereby ordered, consolidated with the statewide general election to be held within the District on said date, and within the territory affected by the consolidation, the election shall be held and conducted, election officers appointed, voting precincts designated, ballots printed, polls opened and closed, ballots counted and returned, returns canvassed, results declared, and all other proceedings incidental to and connected with the election shall be regulated and done in accordance with the provisions of law regulating the statewide general election and specified herein. The Board of Supervisors of the County of San Diego is hereby requested to order the consolidation of the special district election hereby called with said statewide general election, and the Board of Supervisors of the County of San Diego is hereby authorized to canvass the returns and declare the results of said special district election and said election shall be held in all respects as if there were only one election and only one form of ballot shall be used. The measure submitted by this resolution shall be designated on the ballot by a letter printed on the left margin of the square containing the description of the measure, as provided in Section 10219 of the Elections Code of the State of California.

13. The elections hereby consolidated shall be held in all respects as if there were only one election, and only one form of ballot shall be used.

14. All persons qualified to vote at general municipal elections in the City upon the date of the election herein provided for shall be qualified to vote upon the proposition submitted at said special election.

15. Ballots for the election shall be provided in the form and number provided by law. On said ballots, in addition to any other printed matter which may be required by law, two voting squares shall be set *viz* to the right of the proposition submitted at the election, in the manner provided by law, one having the word "YES" printed before it, and the other having the word "NO" printed before it.

16. Each voter to vote for the proposition and for the incurring of said indebtedness shall stamp or write a cross, or indicate by hole punch or other means, in the blank space opposite the word "YES" on the ballot to the right of the proposition; and each voter to vote against the proposition and against incurring other indebtedness shall stamp or write a cross, or indicate by hole punch or other means, in the blank space opposite the word "NO" on the ballot to the right of the proposition.

17. This resolution shall be adopted and certified copies thereof shall be filed with the County Board of Supervisors and County Clerk of San Diego County, on or before August 10, 1990.

18. This resolution shall be published once a week for two successive weeks prior to the date set for the election in the Daily Transcript, a newspaper of general circulation printed and published in the City, the first of which shall be not less than thirty (30) days prior to the day of election.
