DATE: April 5, 1991 *Ca*
TO: Honorable Mayor and City Council
FROM: Rich Snapper, Personnel Director
SUBJECT: Exemption of a Deputy Director Position from the Classified Service

On April 4, 1991, the Civil Service Commission reviewed a request from the Manager's Office to review and comment on the exemption of a new Deputy Director position from the Classified Service. The position will serve as Deputy Director over the Support Services Division in the Clean Water Program.

Charter Section 117 states that the Unclassified Service shall include "Managerial employees having significant responsibilities for formulating or administering departmental policies and programs. Each such position shall be exempted from the Classified Service by ordinance, upon the initiation of the appropriate appointing authority and after receiving the advisory review and comment of the Civil Service Commission and the approval of the City Council."

Upon review of the administrative and managerial duties and responsibilities of this position, staff finds that this position meets the intent of Charter Section 117. In addition, the proposed duties of this position are comparable to those of other Deputy Director positions which have been exempted from the Classified Service. It is therefore recommended that this request be approved.
