ATTACHMENT NO. 1

Benefit to the Project Area

The use of funds from the Horton Plaza Low and Moderate Income Housing Fund to provide for the rehabilitation of property located at 734 Tenth Avenue as housing for low and moderate income persons, will be of benefit to the Horton Plaza Redevelopment Project, in that:

- The Horton Plaza Redevelopment Project does not provide sites for very low, low or moderate income housing. Three hundred ten individuals and households, mostly of very low, low and moderate income, were displaced in order to accommodate redevelopment of the Horton Plaza Redevelopment Project area.
- The rehabilitation of this property will allow the repair and renovation of a 14-bed mental health crisis residence (New Vistas Crisis Residence).
- The property to be rehabilitated is located at 734 Tenth Avenue, approximately six blocks from the Horton Plaza Redevelopment Project. The property is a two-story building consisting of bedrooms, kitchen facilities, bathrooms, office and storage area. When rehabilitated to Building, Health and Safety Code Standards, the residence will accommodate approximately 14 beds for low and moderate income persons.
- Funds from the Horton Plaza Redevelopment Project Low and Moderate Income Housing Fund will enable the Redevelopment Agency to assist the Vista Hills Community Treatment System to rehabilitate this 14-bed residence providing for the renovation of a mental health crisis residence designed to serve the downtown homeless mentally ill, and provide housing for low and moderate income persons. The Horton Plaza Redevelopment Project will benefit by providing low and moderate income housing facilities and the renovation of property in close proximity to the Project area.
