

R-91-1530

RESOLUTION No. R-277715 (R-277715)

Adopted on April 16, 1991

BE IT RESOLVED, by the Council of The City of San Diego as follows:

The above resolution included amended water rates for residential and single family dwellings only. Rate changes for commercial and industrial were covered at another Council meeting. The City Attorney chose to include residential, single, commercial and industrial all in one resolution, after the latter was acted upon; therefore, the City Attorney rescinded Resolution R-277715.
