

(R-92-612)

RESOLUTION NUMBER R-278800

ADOPTED ON OCTOBER 8, 1991

WHEREAS, Robert J. Krause, S.P.E. Corporation, by Richard A. Rubin of Sholders & Sanford, Inc., appealed the decision of the Planning Commission in denying Planned Infill Residential Development (PIRD) Permit No. 87-1098 for the River Trail project submitted by SPE Corporation, Owner/Permittee, for the development of approximately 10.5 acres of residential and open space uses within the coastal zone and 100-year floodplain of the Tia Juana River. The project proposes 45 detached single-family dwelling units on 6.65 acres of fill material, located on the west side of Hollister Street between Sunset and Tocayo Avenues, and is further described as Lot 75 of Sunrise Addition Unit 3, Map No. 10832, in the Otay Mesa-Nestor Community Plan area, in the R1-5000 Zone; and

WHEREAS, the matter was set for public hearing on October 8, 1991, testimony having been heard, evidence having been submitted, and the City Council having fully considered the matter and being fully advised concerning the same; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that this City Council adopts the following findings with respect to Planned Infill Residential Development Permit No. 87-1098:

1. The proposed use will not fulfill an individual and/or community need and will adversely affect the General Plan or the Otay Mesa-Nestor Community Plan or the existing neighborhood.

2. The proposed use will be detrimental to the health, safety and general welfare of persons residing or working in the area and will adversely affect other property in the vicinity.

3. The proposed use will not comply with the relevant regulations in the San Diego Municipal Code.

4. The proposed development will not be sited, designed, and constructed to minimize, if not preclude, adverse impacts upon sensitive natural resources and environmentally sensitive areas.

5. The proposed development will not minimize the alterations of natural landforms and will not result in undue risks from geological and erosional forces and/or flood hazards.

6. The proposed development would not be visually compatible with the character of surrounding areas, and where feasible, will restore and enhance visual quality in visually degraded areas.

7. The proposed development would not conform with The City of San Diego's Progress Guide and General Plan, the community plan, the Local Coastal Program, or any other applicable adopted plans and programs. The proposal is not consistent with the General Plan, the Otay Mesa-Nestor Community Plan and the coastal development plan.

The above findings are supported by the minutes, maps and exhibits, all of which are herein incorporated by reference.

BE IT FURTHER RESOLVED, that the appeal of Robert J. Krause, S.P.E. Corporation, Inc., by Richard A. Rubin of Sholders & Sanford, Inc., is denied; the decision of the Planning Commission is sustained; and Planned Infill Residential Development Permit No. 87-1098 is hereby denied.
