BE IT RESOLVED, by the Council of The City of San Diego as follows:

On October 8, 1991, Council considered Items 342 and 343 regarding the Harborview/Little Italy area. Resolution Numbers R-278815, R-278816, R-278817, R-278818, R-278819, R-278820, R-278821, R-278822, R-278823, and R-278824 were assigned to these two items approving the designation. However, after review of the motion, it was determined that Council's intent was not to approve the designation at that point in time, but rather, to return the items to the Planning Department for further review of the matter and return to Council at a later time. Therefore, these resolution numbers were not used.
