RESOLUTION NUMBER R-280133

ADOPTED ON JUNE 15, 1992

BE IT RESOLVED, by the Council of The City of San Diego, that only the recommendations set forth in City Manager Report No. 92-188 regarding the imposition of a \$1.00 fee for reserving library materials are approved. However, the Manager is directed to delay implementation of this authorization and to return the matter to the Council for further consideration after the State budget has been finalized to determine the effect of any significant reductions in State revenues to the City as it might impact upon library services. If it is determined that the fee should then be imposed, any revenues collected for such services shall then be retained in the appropriate library fund for use towards maintaining a current level of service.
