**PROPOSITION E. AMENDS SECTIONS
10 AND 12 OF THE CHARTER OF THE
CITY OF SAN DIEGO.**

Amends Charter section 10 to require that commencing with the year 1996, the municipal primary elections to the office of Council member for districts 1, 3, 5, and 7 shall be held on the same date in each election year as the California State primary election, and the general municipal election for these offices shall be held on the same date as the California State general election for that year. Commencing with the year 1998, the municipal primary elections to the offices of Council member for Districts 2, 4, 6, and 8 shall be held on the same date in each election year as the California State primary election, and the general municipal election for these offices shall be held on the same date as the California State general election for that year.

Provides that Council members for districts 1, 3, 5, and 7 shall thereafter be elected for a term of four (4) years in the manner prescribed by Section 10 of this Charter. Provides that, at the municipal primary and general election in 1995, Council members for Districts 2, 4, 6, and 8 shall be chosen by the electors for a term of three (3) years. **PROPOSITION F. AMENDS THE CHARTER OF
THE CITY OF SAN DIEGO BY AMENDING
SECTION 55.**

Amends Section 55 of the City Charter by deleting existing language which authorizes the City Council, without a vote of the people, to establish streets and highways through dedicated public parks. Language is added to Charter Section 55 to require an annual review by the City Council of all property owned by the City which may be suitable for park dedication, and requires such dedication where the Council does not find that dedication is contrary to the public interest. Language is also added which allows the City Council by a two-thirds vote to authorize the realignment or widening of existing streets in dedicated parks. Specific language is added to require a majority vote of the qualified electors of the City voting at an election in order to establish new non-park roads through dedicated public parks. The words "or later ratified" are also stricken from the existing language to preclude the City Council's authorization of a non-park use of dedicated park land prior to voter authorization.
