and expresses its direction to the City Manager that in the preparation of the Fiscal Year 1994 through Fiscal Year 1998 proposed budgets, the budget should include an allocation of the sum equal to a percentage of the annual growth in property tax and sales tax revenues and a sum equal to a percentage of Transient Occupancy Tax revenues for additional police officers according to the following formulas:

(a) Fiscal Year 1994 -

1) A sum equal to 27 percent of the annual growth in the revenues derived from existing property taxes and sales taxes; and
